## CHAPTER 144.

AN ACT to create section 490t of the statutes, relating to free high school districts.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

SECTION 1. There is added to the statutes, a new section to read: Section 490t. No action heretofore taken by the electors or officers of any town, village, or city, school district or sub-district, in voting to form a free high school district or a joint free high school district, shall be invalid by reason of any defect in the form of notice given, posted, published or served, or the manner in which such notice shall have been given, posted, published or served, and all steps and elections heretofore had and taken by any town, village, or city, school district or sub-district in forming a high school district or a joint high school district are hereby validated and declared to have the same force and effect as if there had been no irregularities or omissions in the proceedings had for the purpose of forming such district.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.
