CHAPTER 211.

AN ACT to create section 3346m of the statutes, relating to liens of jewelers, watchmakers and silversmiths.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There is added to the statutes a new section to read: Section 3346m. Every jeweler, watchmaker or silversmith who shall alter, repair or do any work on any article of personal property at the request of the owner or legal possessor of such property, shall have a lien upon and may retain the possession of any such article until the charges for such alteration, repairing or other work have been paid. If such debt remains unpaid for one year or more any such jeweler, watchmaker or silversmith may sell such article at private or public sale, and the proceeds, after first paying the expenses of sale, shall be applied in payment of the debt, the balance, if any, to be paid over to the county clerk of the county where the sale is held in trust for the debtor. Before any such sale is held, notice in writing must be given the debtor of the amount due and the time and place of sale. If the debtor's residence is known such notice must be mailed to his last known street address. If the debtor's address is unknown such notice must be given by the posting thereof in the county courthouse of the county or the city, village, or town hall where the jeweler, watchmaker or silversmith resides.

SECTION 2. This act shall take effect upon passage and publication.
