CHAPTER 497

AN ACT to create 348.02 (5) of the statutes, to except emergency vehicles and replacement vehicles for stalled trucks from certain statutory restrictions.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

348.02 (5) of the statutes is created to read:

348.02 (5) The limitations of weight and length of vehicles imposed by this chapter shall not apply to a vehicle conducting a towing operation to remove another stalled or disabled vehicle or to an emergency road tractor substituted for a stalled or disabled road tractor when such vehicles are used to remove such vehicles from the highway to the nearest adequate place for repairs or nearest terminal of the company.

Approved September 18, 1959.
