

1971 Assembly Bill 527

**Date published:
November 6, 1971**

CHAPTER 113, Laws of 1971

AN ACT to amend 98.21 (1) of the statutes, relating to standard weights for loaves of bread.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

98.21 (1) of the statutes is amended to read:

98.21 (1) All bread manufactured, procured, made or kept for sale, offered or exposed for sale, or sold, in the form of loaves for use or consumption within this state, shall be one of the following weights and no other; ~~namely, one-half pound, one pound, one and one-half 1-1/2 pounds, or multiples of one pound avoirdupois weight; provided, however, that a~~ one-half pound, one pound, one and one-half 1-1/2 pounds, or multiples of one pound avoirdupois weight; ~~provided, however, that a~~ one-half ounce in excess or one and one-fourth ounces ~~ounce~~ in deficiency per pound from the weights provided for in this section shall be allowed in the weight of individual loaves of bread; ~~and the weight of individual loaves of bread shall be held to be~~ but the average weight of at least ten 10 loaves of the same approximate weight and same manufacturer, if that number is available at the time of weighing in any place where bread is manufactured, procured, made or kept for sale, offered or exposed for sale, or sold any one size shall not be less than the standard weight prescribed in this section. If ten 10 loaves of the same approximate size are not available, then the weight of individual all available loaves shall be held to be the average of all available loaves of the same approximate weight and same manufacturer, at the time of weighing in any place where bread in loaves is manufactured, procured, made or kept for sale, offered or exposed for sale, or sold used to decide the average weight, but in no case shall said number be less than five 5.
