CHAPTER 277

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. STATEMENT OF PURPOSE. The legislature recognizes that the recent advent of snowmobiles in this state has stimulated commercial activity and wholesome recreation. It has also resulted in noise, injuries and increased pressures on our recreational lands. The legislature is mindful that the citizenry of this state includes both enthusiastic supporters of these machines and persons who favor an absolute prohibition of them. The legislature recognizes that intelligent regulation of the use of these machines, designed to reduce the friction between these irreconcilable viewpoints, is both necessary and desirable. The legislature further recognizes and supports the principles that registration fees should be used for maintenance for trails, facilities and areas, law enforcement and safety training as well as for development purposes. Every effort should be made to establish a compatible relationship among snowmobile operators, landowners and those persons appreciating the tranquility and isolation found in the undeveloped areas of the state.

SECTION 2. 15.347 (7) of the statutes is created to read:

15.347 (7) SNOWMOBILE RECREATIONAL COUNCIL. There is created in the department of natural resources a snowmobile recreational council consisting of 15 members nominated by the governor, and with the advice and consent of the senate, appointed for staggered 3-year terms. Commencing on July 1, 1972, 5 members shall be appointed to serve for one year, 5 members for 2 years and 5 members for 3 years. Thereafter all terms shall be for 3 years with 5 positions on the council to expire each year. At least 5 members of the council shall be from the territory north, and at least 5 members shall be from the territory south, of a line running east and west through the south limits of the city of Stevens Point.

(a) Counties may receive aids under this subsection distributed in accordance with s. 350.12 (4) to:

(b) The county board of any county, which, by resolution, indicates its desire to receive aids under this subsection shall apply to the department on forms prescribed by the department and submit required documentation as set forth by rule on or before February 1, commencing in 1973. A decision on an aid application shall be made by the department on or before April 1, commencing in 1973. If requests for state aids exceed the funds allotted for this program, the total dollar value of approved aid applications shall be calculated by the department. Funds shall be distributed on the basis of the ratio of the total dollar value of an individual county application to the total dollar value of all approved aid applications applied to the amount of available funds. Any county receiving less than the total dollar value of its application is under no obligation to expend county funds to cover the amount requested and not received.
