INTRODUCTION AND REFERENCE OF RESOLUTIONS

Read and referred.

Assembly Resolution 24

Requesting the Civil Aeronautics Board to act favorably on the petitions of Appleton, Marshfield, Sheboygan and Wisconsin Rapids to amend the Certificate of Convenience and Necessity of North Central Airlines, Inc., to delete their names from this certificate and further requesting the board to require the Reuben H. Donnelly Publications, publishers of the Official Airline Guide to include the names of each of these cities therein and the commuter air carrier service that each receives.

Whereas, Appleton and the adjacent Fox cities, Neenah, Menasha, Kimberly, Kaukauna and Little Chute, (all of whom have approved Appleton's petition) have received

JOURNAL OF THE ASSEMBLY [June 29, 1971]

adequate scheduled commuter air carrier service from Air Wisconsin, Inc., at the Outagamie County Airport at Appleton with 14 flights per day to Chicago and 7 to Central Wisconsin Airport at Mosinee and Wold Chamberlain Field at Minneapolis; and

Whereas, the city of Sheboygan receives adequate scheduled commuter air carrier service from Air Wisconsin at its Sheboygan Memorial Airport with 5 daily flights to Chicago and 5 daily flights to Appleton, Mosinee and Minneapolis; and

Whereas, the city of Marshfield receives adequate scheduled commuter air carrier service at the Marshfield airport with 3 daily flights to Chicago from Mid-State Commuter, Inc., there based; and

Whereas, the city of Wisconsin Rapids receives adequate scheduled commuter air carrier service from Mid-State Commuter, Inc., at Alexander Field with 3 flights per day to Chicago; and

Whereas, each of these cities has individually petitioned the Civil Aeronautics Board at Washington, D.C. to amend North Central Airlines' Certificate of Public Convenience and Necessity to eliminate their names from this certificate as being served from airports other than their own (Appleton is listed as Oshkosh-Appleton as being served by North Central Airlines, Inc., at the Oshkosh Airport, 20 miles distant; Sheboygan as Manitowoc-Sheboygan as being served by North Central Airlines, Inc., at the Manitowoc Airport, 27 miles distant; Marshfield and Wisconsin Rapids as being served by North Central Airlines, Inc., at the Central Wisconsin Airport at Mosinee, 50 and 35 miles distant from these respective cities); and

Whereas, the inclusion of these cities in the Certificate of Public Convenience and Necessity of North Central Airlines, Inc., does operate against the public convenience and necessity of the traveling public and the citizens and firms of these cities in many ways, including:

1. By totally misleading listing of these cities in the official airline guide as being served at airports other than their own;
2. The arrival of passengers desiring transportation to these cities at distant airports and costly cab fares to their destinations; and

JOURNAL OF THE ASSEMBLY [June 29, 1971]

3. The misdirection of air freight destined to these cities to airports other than their own; and

Whereas, it is the opinion of this body that the citizens of these cities through the duly elected representatives are in the best position to determine the matters of their own public convenience and necessity and should have the right of self-determination as to whether or not their names should continue to appear in North Central's Certificate; now, therefore, be it

Resolved by the senate, the assembly concurring, That the Civil Aeronautics Board be advised that it supports the petitions of the cities of Appleton, Marshfield, Sheboygan and Wisconsin Rapids to delete their names from the Certificate of Public Convenience and Necessities of North Central Airlines, Inc.; and, be it further

Resolved, That the Civil Aeronautics Board be requested to direct the Reuben H. Donnelly Publications to list the names of these cities separately and the commuter air carrier service of each; and, be it further

Resolved, That copies of this resolution be sent to the Civil Aeronautics Board and to each member of the Wisconsin Congressional delegation.

By Representatives Froehlich, Oestreicher, Conradt, Byers, Otte, Boeckmann, Schneider, Rogers and Grover, by request of Karl Baldwin, Appleton, Wisconsin.

To calendar.

JOINT SURVEY COMMITTEE ON RETIREMENT SYSTEMS

Assembly Bill 438

In as much as the proposal contained in this bill will provide benefits more nearly reflecting the level of the economy at the time of the retirement of members and the trend toward adoption of the highest 3 years final rate of earnings is well established in other public agency retirement systems, it is the opinion of this Committee that passage of this bill is in the best public interest.

To joint committee on Finance.

JOURNAL OF THE ASSEMBLY [June 29, 1971]

Assembly Bill 898

This bill is retrogressive legislation, would require a reduction in the annuity of every protective occupation participant retiring before age 60 and would completely subvert the intent of the legislature as expressed in Chapter 355, Laws of 1967. It is the opinion of this Committee that this bill is highly undesirable and is definitely not in the best public interest.

To joint committee on Finance.

REUBEN LaFAVE,
Chairman.
ALVIN BALDUS,
Co-Chairman.

GOVERNOR'S VETO MESSAGE

June 29, 1971.

To the Honorable, the Assembly:

I am returning **Assembly Bill 265** without my approval.

This bill proposes to amend Wisconsin Statutes 138.07 (3) (a) and 138.09 (7) (b) to make permanent the temporary interest rate increase from 12 dollars to 14 dollars upon 100 dollars lent for one year computed upon the declining principal balance of the loan, with a service fee of up to 4% for one year, which increase was enacted in 1969 and which, without this amendment, will expire on July 1, 1971.

When the increase in rates was enacted in 1969, the money market prime rate of interest was at or around 8- $\frac{1}{4}$ %. The rate today, although now rising steadily, is 5- $\frac{3}{4}$ %. Thus, the reasons for a rate increase, particularly a permanent rate increase, are not as compelling today as they were in 1969.

The amendment would make the rate increase permanent, when in fact interest regulation should more appropriately be done on a temporary basis to reflect the vacillating nature of the money market. Whereas a temporary extension might be justifiable, a permanent increase is not.

Assembly Bill 265 represents an effort to affect consumer rights on a piecemeal basis. Rather, I would prefer that the Legislature deal with consumer rights in a comprehensive manner. Presently, there are three bills pending before the Legislature which represent efforts to deal in a comprehensive way with consumer law. Each of these includes the regulation of credit transactions and permissible interest rates. It is within the framework of just these sorts of bills

JOURNAL OF THE ASSEMBLY [June 29, 1971]

that the definition of reasonable rates of interest ought to be formulated. Whereas, I might enact a bill which would grant a temporary rate increase during the period when the Legislature is considering a broad bill, I do not think a permanent increase is well advised.

For the reasons set forth above, I do not believe it is in the public interest that this legislation be signed into law at this time.

Respectfully submitted,

PATRICK J. LUCEY,
Governor.

Assembly Bill 265
