RULINGS OF THE CHAIR

Assembly Bill 76

On Wednesday Senator Parys introduced senate amendment 3 to Bill 76A. Senator Keppler raised the point of order that the amendment was actually a substitute amendment. He also raised the point of order that the amendment was not germane. Senator Parys asked the chair to take the points of order under advisement.

The chair has already ruled senate amendment 2 *not germane* because it "would require a title essentially different or would totally alter the nature of the original proposal." The amendment dealt with everyone's public records. It did not deal with just county records.

Amendment 3 deals with records other than county records and it allows "any person" to copy records.

The chair's ruling is that senate amendment 3 is *not germane*. This amendment is essentially the same as amendment 2 and, therefore, it is not germane for the same reason that senate amendment 2 is not germane.

CASIMIR KENDZIORSKI,
Senator, 3rd District.

Senator Parys appealed the ruling of the chair.

The ayes and noes were required and the vote was: ayes, 30; noes, 2; absent or not voting, 1; as follows:

Ayes—Senators Bidwell, Busby, Chilsen, Cirilli, Devitt, Dorman, Frank, Heinzen, Hollander, Johnson, Kendziorski, Knowles, Knutson, LaFave, Lipscomb, Lorge, Lotto, Lourigan, McKenna, Martin, Murphy, Peloquin, Risser, Roseleip,
