

1973 Assembly Bill 773³

Date published:
August 15, 1973

CHAPTER 106 , Laws of 1973

AN ACT directing the higher educational aids board to seek interstate reciprocity agreements for resident students in veterinary education.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The legislature hereby directs the higher educational aids board to seek to enter agreements or understandings under section 39.42 of the statutes to allow residents of this state to pursue education in veterinary science at public institutions of higher education offering appropriate programs. The board is further directed to seek as
