The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The state did not make the project available to United Contractors, Inc. until 635 days after the contract date, during which time there had been a considerable change of circumstances related to a phase of the project which United Contractors, Inc., had requested to be deleted from

the contract. Acceptance of this payment shall operate as a full and complete release to the state for any claim on account of said additional costs.
