

1981 Senate Bill 90

Date published: April 26, 1982

CHAPTER 244 , Laws of 1981

AN ACT to amend 67.04 (2) (L) of the statutes, relating to allowing municipalities to issue general obligation bonds to provide traffic control signals.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 67.04 (2) (L) of the statutes is amended to read:

67.04 (2) (L) To pay the cost of laying out, opening or widening streets; to provide street lighting; to provide traffic control signals, as defined in s. 340.01 (69), that are located within the right-of-way of any highway, as defined in s. 340.01 (22); to provide street improvement; to create either a revolving or a temporary fund out of which to advance the cost of any work for which special assessments may be levied, in anticipation of the collection by the city treasurer of the special assessments, special improvement certificates, special improvement bonds, contractor's certificates, general obligation-local improvement bonds, or special assessment B bonds made or issued for the cost thereof; or to pay the city's portion of the cost of abolishing grade crossings.
