RULING OF THE CHAIR

Senate Bill 519

Relating to the reorganization of city school districts into common or unified districts.

On Tuesday, March 2, 1982 the senator from the 33rd, Senator Engeleiter, raised the point of order that senate amendment 1 to assembly amendment 1 to **Senate Bill 519** was not germane. The chair took the point of order under advisement.

Assembly amendment 1 to **Senate Bill 519** clarifies the action to be taken by the Fiscal Board or Common Council in the event an action has been taken by the electorate or the School Board to reorganize the city school district.

Senate amendment 1 to assembly amendment 1 proposes a new procedure to permit the Fiscal Board, Common Council or the electorate to retain the city school district by referendum and prohibit further action by the Fiscal Board or Common Council. Although the proposition would be germane to the bill it does appear to accomplish a different purpose than that of assembly amendment 1, and expand the scope thereof. Therefore it is the opinion of the chair that senate amendment 1 to assembly amendment 1 is not germane and the point of order raised by the senator from the 33rd, Senator Engeleiter, is well taken.

Senate Bill 519

Relating to the reorganization of city school districts into common or unified districts.
