Joanne M. Duren, Chief Clerk
State Assembly
Room 126 West, State Capitol

Dear Mr. Schneider and Ms. Duren:

The State Elections Board is required to certify to the county clerks all referendum questions to be submitted to the electors at the spring election on Tuesday, April 2, 1985. In order for the State Elections Board staff to prepare the certification, it is necessary for us to have in our possession no later than February 19, 1985, the certified copy of any resolutions directing that a referendum be submitted to the electors at the 1985 spring election along with the explanatory statement prepared by the attorney general under the provisions of s. 10.02 (2) (c), Wis. Stats.

Legislators seeking to secure the passage of a resolution which would direct the submission of a referendum question to the electors at the April 2, 1985 election are encouraged to consult with the attorney general's office to develop the explanatory statement that must accompany the publication of the referendum notice by the Elections Board and the county clerks.

County clerks and the Elections Board need the intervening two week period, between February 19 and March 2, 1985, to arrange for publication in the appropriate newspapers and for printing ballots.

Thank you for your time and attention to this matter. Please include this letter in the senate and assembly journals. If any legislators have questions, they are

encouraged to contact the staff at the State Elections
Board.
