Forward Wisconsin

August 10, 1987

To the Honorable, the Senate:

Forward Wisconsin, Inc., is required to provide the legislative leadership of the appropriate standing committees of each house with an annual report describing its year-long marketing activities.

As you are aware, Nino Amato has been president and chief executive officer of the corporation since April

1 of this year. Since that time, there has been a number of significant changes in Forward's mission, its focus and its direction.

We understand the importance of Forward's accountability to the Legislature. Reports such as this are needed to maintain the credibility of this unique partnership between state government and the private sector. Therefore, during fiscal year 1987-88, we will continue to keep the appropriate legislative leadership informed of our marketing activities -- on a regular basis, rather than once a year.

We will be happy to answer any questions you may have regarding this report or the Arthur Andersen audit.

Sincerely,
BRUNO J. MAUER
Secretary

Read and referred to committee on Economic Development, Financial Institutions and Fiscal Policies.
