

1989 Senate Bill 394

Date of enactment: April 26, 1990
Date of publication*: May 10, 1990

1989 WISCONSIN ACT 318

AN ACT to create 20.435 (1) (cs) and 146.56 of the statutes, relating to: establishing an injury prevention grant program, granting rule-making authority and making an appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.005 (3) (schedule) of the statutes: at the appropriate place, insert the following amounts for the purposes indicated:

1989-90 1990-91

20.435 Health and social services, department of

(1) HEALTH SERVICES PLANNING, REGULATION AND DELIVERY

(cs) Injury prevention program GPR C -0- 300,000

SECTION 2. 20.435 (1) (cs) of the statutes is created to read:

20.435 (1) (cs) *Injury prevention program.* As a continuing appropriation, the amounts in the schedule for technical assistance and administrative support for and operation of the injury prevention grant program under s. 146.56 and for grants under the injury prevention grant program.

SECTION 3. 146.56 of the statutes is created to read:
146.56 Injury prevention grant program. (1) In this section:

(a) "Nonprofit corporation" means a nonstock, nonprofit corporation organized under ch. 181.

(b) "Organization" means a nonprofit corporation or a public agency which proposes to provide services to individuals.

(c) "Public agency" means a county, city, village, town or school district or an agency of this state or of a county, city, village, town or school district.

(d) "Public health agency" means a county health department, as defined in s. 140.09 (1), a county health

commission or committee under s. 141.01, a city or village board of health under s. 141.015 or a town board of health under s. 141.01 (9).

(2) From the appropriation under s. 20.435 (1) (cs), the department shall, in state fiscal year 1990-91, allocate up to \$75,000 for operation of the injury prevention grant program and shall allocate up to \$118,300 to provide grants to applying organizations or public health agencies to establish and maintain injury prevention campaigns to promote and evaluate the promotion of all of the following:

(a) The use of bicycle helmets, infant and child car restraints and smoke detectors.

(b) Pedestrian safety.

(c) The prevention of burns from hot water, accidental poisonings, farm injuries, injuries in day care centers and drownings.

(d) Other injury prevention activities.

(3) The department shall promulgate rules establishing the criteria and procedures for the awarding of grants for projects under sub. (2), which shall include the

requirement that priority in awarding shall be given to an applying organization or public health agency with a proposed injury prevention campaign that involves coordination with the local emergency medical services program.

SECTION 4. Nonstatutory provisions; health and social services. (1) INJURY PREVENTION PROGRAM POSITIONS. The authorized FTE positions for the department of health and social services are increased by 3.0 GPR positions, to be funded from the appropriation under section 20.435 (1) (cs) of the statutes, as created by this act,

to provide technical assistance and administrative support under the injury prevention program under section 146.56 of the statutes, as created by this act.

(2) RULES ON INJURY PREVENTION GRANTS. The department of health and social services shall submit in final draft form any proposed rules establishing the criteria and procedures for the awarding of injury prevention grants, under section 146.56 (2) of the statutes, as created by this act, to the legislative council staff for review under section 227.15 (1) of the statutes no later than April 15, 1990.
