Dear Legislators:

I am writing in support of Assembly Bill 413 which moves municipal paramedics into the protective occupation classification.

I work as an emergency room nurse and paramedic in Brown County. As such, I am intimately familiar with the dynamics and job requirements of the paramedic profession. The vital and selfless job these individuals perform carries with it a large degree of stress and personal risk. I strongly believe it is an injustice that municipal paramedics are not presently included in this classification.

I strongly urge you to support this measure to correct this oversight.

Sincerely,

*David W. Erickson*

Dear Legislators:

I am writing in support of AB #413, which moves the Municipal Paramedics into the Protective Occupation Participant classification.

As a firefighter in Door County, I work with the Paramedics on a daily basis, and see them subjected to the same hazards that we are exposed to.

It is apparent that it is an oversight that they are not included in this classification. I sincerely hope that you correct this oversight at this time.

Sincerely,

Dear Legislators:

I am writing in support of AB #413, which moves the Municipal Paramedics into the Protective Occupation Participant classification.

As a local business owner, I see the paramedics involved in many hazardous situations and rescues in our community.

It is apparent to me that it is an oversight that these people are not included in this classification. I hope that you correct this oversight at this time.

Sincerely,
