

# Ninetieth Regular Session

WEDNESDAY, August 26, 1992

The chief clerk makes the following entries under the above date.

## PETITIONS AND COMMUNICATIONS

State of Wisconsin  
Board of Regents of  
University of Wisconsin System

August 25, 1992

To the Honorable the Legislature:

On behalf of the Governor's Commission on UW System Compensation, I am pleased to provide you a copy of the final Commission report. The Commission was established by Governor Thompson in December 1991 and was composed of nineteen members from the private sector, the UW System Board of Regents, state government, the Legislature and UW System faculty and academic staff.

The final report contains a package of nine recommendations which the Commission believes will preserve and enhance the well-being of the University of Wisconsin System and the state of Wisconsin. In our view, this package represents the best balance among many important policy objectives.

We hope that this report will make a positive contribution to your legislative deliberations this fall and spring regarding the UW System budget. I, and all other members of the Commission, would be pleased at any time to answer questions you may have.

Sincerely,  
Mick Neshek, Chair  
Governor's Commission on  
UW System Compensation

State of Wisconsin  
Board of Regents of  
University of Wisconsin System

August 25, 1992

To the Honorable the Legislature:

Today you will be receiving the report of the Governor's Commission on UW System Compensation. While I strongly agree with the findings of the Commission and many aspects of its recommendations, I do have some concerns (outlined in Section VI of the report) regarding other aspects of the Commission's recommendations.

Attached is a copy of a minority report I have written in which I call specific attention to a number of findings and recommendations that I find to be particularly significant and to aspects of some of the recommendations which I find troubling. I urge you to give consideration to these concerns.

I am sorry that I will not be able to attend our meeting with you today. With the beginning of the

school year, I have meetings at UW-Superior today which require my attendance. I want to thank you for appointing me to this important Commission and look forward to discussing these issues with you in the future.

Sincerely,  
Gloria Toivola, Member  
Governor's Commission on  
UW System Compensation

State of Wisconsin

August 17, 1992

To the Honorable the Legislature:

Attached to this letter is the first version of the Clean Water Fund Biennial Finance Plan for FY 1993-1995.

This plan was prepared jointly by the Department of Natural Resources and the Department of Administration Capital Finance Office. Its purpose is to support the administration of the Clean Water Fund which provides financial assistance to municipalities that are required to construct new wastewater treatment facilities to protect the surface water and groundwater of Wisconsin.

The preparation, submission, and review of the Biennial Finance Plan by the Joint Committee on Finance, environmental legislative standing committees and Building Commission is required under s. 144.2415(3), Stats. The statute allows the Joint Committee on Finance and each standing committee to submit to the Building Commission its recommendations and comments regarding each version of the Biennial Finance Plan. Additional versions of the Plan will be submitted early next year reflecting the Governor's proposed biennial budget and later next year reflecting the adopted biennial budget.

Department of Natural Resources staff will be submitting the Plan to the Natural Resources Board in late September, as a part of the Department's biennial budget request to the Governor. If the Board requires changes to the Plan, we will send you a revised copy of the Plan outlining the changes.

If you have any question regarding the Biennial Finance Plan, please contact Paulette Harder at 266-0836 or Frank Hoadley at 266-2305.

Sincerely,  
Paulette Harder, Director  
Office of Intergovernmental Programs  
Department of Administration  
Department of Natural Resources  
Frank Hoadley  
Capitol Finance Director  
Department of Administration

Referred to the committee on Urban Affairs,  
Environmental Resources and Elections.
