**SECTION 3782n.** 111.06 (1) (c) 1. of the statutes is amended to read:

An employer is not prohibited from entering into an all–union agreement with the voluntarily recognized representative of the employees in a collective bargaining unit, where at least a majority of such employees voting have voted affirmatively,**
by secret ballot, in favor of such all-union agreement in
a referendum conducted by the commission, except that
where the bargaining representative has been certified by
either the commission or the national labor relations
board as the result of a representation election, no refer-
endum is required to authorize the entry into such an all-
union agreement. Such authorization of an all-union
agreement shall be deemed to continue thereafter, subject
to the right of either party to the all-union agreement to
petition the commission to conduct a new referendum on
the subject. Upon receipt of such petition, the commis-
sion shall determine whether there is reasonable ground
to believe that the employees concerned have changed
their attitude toward the all-union agreement and upon so
finding the commission shall conduct a referendum. If
the continuance of the all-union agreement is supported
on any such referendum by a vote at least equal to that
provided in this subdivision for its initial authorization,
it may be continued in force thereafter, subject to the right
to petition for a further vote by the procedure set forth in
this subdivision. If the continuance of the all-union
agreement is not thus supported on any such referendum,
it is deemed terminated at the termination of the contract
of which it is then a part or at the end of one year from the
date of the announcement by the commission of the result
of the referendum, whichever is earlier. The commission
shall declare any all-union agreement terminated when-
ever it finds that the labor organization involved has un-
reasonably refused to receive as a member any employe
of such employer, and each such all-union agreement
shall be made subject to this duty of the commission. Any
person interested may come before the commission as
provided in s. 111.07 and ask the performance of this
duty. Any all-union agreement in effect on October 4,
1975, made in accordance with the law in effect at the
time it is made is valid.

Section 3782p. 111.06 (1) (d) of the statutes is
amended to read:
111.06 (1) (d) To refuse to bargain collectively with
the representative of a majority of the employer’s em-
ployees in any collective bargaining unit with respect to
representation or terms and conditions of employment,
except as provided under ss. 111.05 (5) and 111.17 (2);
provided, however, that where an employer files with the
commission a petition requesting a determination as to
majority representation, the employer shall not be
deemed to have refused to bargain until an election has
been held and the result thereof has been certified to the
employer by the commission.

Section 3782q. 111.06 (1) (i) of the statutes is
amended to read:
111.06 (1) (i) To deduct labor organization dues or
assessments from an employee’s earnings, unless the em-
ployer has been presented with an individual order there-
for, signed by the employee personally, and terminable at
the end of any year of its life by the employe giving at
least thirty days’ written notice of such termination un-
less there is an all-union, fair-share or maintenance of
membership agreement in effect. The employer shall
give notice to the labor organization of receipt of such no-
tice of termination.

Section 3782r. 111.06 (1) (m) of the statutes is
created to read:
111.06 (1) (m) To fail to give the notice of intention
to engage in a lockout provided in s. 111.115 (2).

amended to read:
111.06 (2) (i) To fail to give the notice of intention
to engage in a strike provided in s. 111.115 (2) or (3).

Section 3783b. 111.07 (2) (a) of the statutes is
amended to read:
111.07 (2) (a) Upon the filing with the commission
by any party in interest of a complaint in writing, on a
form provided by the commission, charging any person
with having engaged in any specific unfair labor practice,
it shall mail a copy of such complaint to all other parties
in interest. Any other person claiming interest in the dis-
pute or controversy, as an employer, an employe, or their
representative, shall be made a party upon application.
The commission may bring in additional parties by ser-
vise of a copy of the complaint. Only one such complaint
shall issue against a person with respect to a single con-
troversy, but any such complaint may be amended in the
discretion of the commission at any time prior to the is-
suance of a final order based thereon. The person or per-
sons so complained of shall have the right to file an an-
swer to the original or amended complaint and to appear
in person or otherwise and give testimony at the place and
time fixed in the notice of hearing. The commission shall
fix a time for the hearing on such complaint, which will
be not less than 10 nor more than 40 days after the filing
of such complaint, and notice shall be given to each party
interested by service on the party personally or by mail-
ing a copy thereof to the party at the party’s last-known
post-office address at least 10 days before such hearing.
In case a party in interest is located without the state and
has no known post-office address within this state, a
copy of the complaint and copies of all notices shall be
filed in the office of the secretary of state with the depart-
ment of financial institutions and shall also be sent by
registered mail to the last-known post-office address of
such party. Such filing and mailing shall constitute suffi-
cient service with the same force and effect as if served
upon the party located within this state. Such hearing
may be adjourned from time to time in the discretion of
the commission and hearings may be held at such places
as the commission shall designate.

Section 3784. 111.07 (2) (b) 1. of the statutes is
amended to read:
111.07 (2) (b) 1. The commission shall have the pow-
er to issue subpoenas and administer oaths. Depositions
may be taken in the manner prescribed by s. 101.02 (14)
103.005 (13). No person may be excused from attending and testifying or from producing books, records, correspondence, documents or other evidence in obedience to the subpoena of the commission on the ground that the testimony or evidence required of him or her may tend to incriminate him or her or subject him or her to a penalty or forfeiture under the laws of the state of Wisconsin; but no individual may be prosecuted or subjected to any penalty or forfeiture for or on account of testifying or producing evidence, documentary or otherwise, before the commission in obedience to a subpoena issued by it; provided, that an individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

**Section 3785m.** 111.075 of the statutes is created to read:

111.075 Fair–share and maintenance of membership agreements. (1) (a) No fair–share or maintenance of membership agreement may become effective unless authorized by a referendum. The commission shall order a referendum whenever it receives a petition supported by proof that at least 30% of the employees in a collective bargaining unit desire that a fair–share or maintenance of membership agreement be entered into between the employer and a labor organization. A petition may specify that a referendum is requested on a maintenance of membership agreement only, in which case the ballot shall be limited to that question.

(b) For a fair–share agreement to be authorized, at least two-thirds of the eligible employees voting in a referendum shall vote in favor of the agreement. For a maintenance of membership agreement to be authorized, at least a majority of the eligible employees voting in a referendum shall vote in favor of the agreement. In a referendum on a fair–share agreement, if less than two-thirds but more than one-half of the eligible employees vote in favor of the agreement, a maintenance of membership agreement is authorized.

(c) If a fair–share or maintenance of membership agreement is authorized in a referendum, the employer shall enter into such an agreement with the labor organization named on the ballot in the referendum. Each fair–share or maintenance of membership agreement shall contain a provision requiring the employer to deduct the amount of dues as certified by the labor organization from the earnings of the employees affected by the agreement and to pay the amount so deducted to the labor organization. Unless the parties agree to an earlier date, the agreement shall take effect 60 days after certification by the commission that the referendum vote authorized the agreement. The employer shall be held harmless against any claims, demands, suits and other forms of liability made by employees or local labor organizations which may arise for actions taken by the employer in compliance with this section. All such lawful claims, demands, suits and other forms of liability are the responsibility of the labor organization entering into the agreement.

(d) Under each fair–share or maintenance of membership agreement, an employee who has religious convictions against dues payments to a labor organization based on teachings or tenets of a church or religious body of which he or she is a member shall, on request to the labor organization, have his or her dues paid to a charity mutually agreed upon by the employee and the labor organization. Any dispute concerning this paragraph may be submitted to the commission for adjudication.

(2) (a) Once authorized, a fair–share or maintenance of membership agreement shall continue in effect, subject to the right of the employer or labor organization concerned to petition the commission to conduct a new referendum. Such petition must be supported by proof that at least 30% of the employees in the collective bargaining unit desire that the fair–share or maintenance of membership agreement be discontinued. Upon so finding, the commission shall conduct a new referendum. If the continuance of the fair–share or maintenance of membership agreement is approved in the referendum by at least the percentage of eligible voting employees required for its initial authorization, it shall be continued in effect, subject to the right of the employer or labor organization to later initiate a further vote following the procedure prescribed in this subsection. If the continuation of the agreement is not supported in any referendum, it is deemed terminated at the termination of the collective bargaining agreement, or one year from the date of the certification of the result of the referendum, whichever is earlier.

(b) The commission shall declare any fair–share or maintenance of membership agreement suspended upon such conditions and for such time as the commission decides whenever it finds that the labor organization involved has refused on the basis of race, color, sexual orientation or creed to receive as a member any employee in the collective bargaining unit involved, and the agreement shall be made subject to the findings and orders of the commission. Any of the parties to the agreement, or any employee covered thereby, may come before the commission, as provided in s. 111.07, and petition the commission to make such a finding.

(3) A stipulation for a referendum executed by an employer and a labor organization may not be filed until after the representation election has been held and the results certified.

(4) The commission may, under rules adopted for that purpose, appoint as its agent an official of the University of Wisconsin Hospitals and Clinics Authority to conduct the referenda provided for in this section.

(5) Notwithstanding sub. (1), if on July 1, 1997, there is a fair–share or maintenance of membership agreement in effect in any of the collective bargaining units specified in s. 111.825 (1) (f) 1., 5. or 9., that fair–share or
maintenance of membership agreement shall apply to the corresponding collective bargaining unit under s. 111.05 (5) (a) 1. to 3. without the necessity of filing a petition or conducting a referendum, subject to the right of the employees in each collective bargaining unit to file a petition requesting a referendum under sub. (2) (a).

(6) This section applies only in collective bargaining units comprised of employees of the University of Wisconsin Hospitals and Clinics Authority.

SECTION 3786e. 111.09 (1) of the statutes is amended to read:

111.09 (1) The commission may adopt reasonable and proper rules and regulations relative to the exercise of its powers and authority and proper rules to govern its proceedings and to regulate the conduct of all elections and hearings. The commission shall, upon request, provide a transcript of a proceeding to any party to the proceeding for a fee prescribed, established by rule, by the commission at a uniform rate of not less than 60 cents per page. All transcript fees shall be deposited into the general fund credited to the appropriation account under s. 20.425 (1) (i), except that fees collected in excess of 60 cents the uniform rate per page for any transcript produced by a reporter who is not employed by the commission shall be deposited under credited to the appropriation account under s. 20.425 (1) (g).

SECTION 3786s. 111.09 (2) of the statutes is amended to read:

111.09 (2) The commission shall assess and collect a filing fee of $25 from the party or parties for filing a complaint alleging that an unfair labor practice has been committed under s. 111.06. The commission shall assess and collect a filing fee of $25 from the party or parties for filing a request that the commission act as a mediator under s. 111.11. The commission shall assess and collect a filing fee for filing a request that the commission initiate arbitration under s. 111.10. For the performance of commission actions under ss. 111.10 and 111.11, the commission shall require that the parties to the dispute equally share in the payment of the fee and, for the performance of commission actions involving a complaint alleging that an unfair labor practice has been committed under s. 111.06, the commission shall require that the party filing the complaint pay the entire fee. If such a party has paid a filing fee requesting the commission to act as a mediator for a labor dispute and the parties do not enter into a voluntary settlement of the labor dispute, the commission may not subsequently assess or collect a filing fee to initiate arbitration to resolve the same labor dispute. If any request for the performance of commission actions concerns issues arising as a result of more than one unrelated event or occurrence, each such separate event or occurrence shall be treated as a separate request. The commission shall promulgate rules establishing a schedule of filing fees to be paid under this subsection, except that the commission may not require a filing fee that exceeds $225 per request or case. Fees required to be paid under this subsection shall be paid at the time of filing the complaint or the request for mediation or arbitration. A complaint or request for mediation or arbitration is not filed until the date such fee or fees are paid. Fee collected under this subsection shall be deposited as general purpose revenue—earned credited to the appropriation account under s. 20.425 (1) (g).

SECTION 3787g. 111.10 of the statutes is amended to read:

111.10 Arbitration. Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement may agree in writing to have the commission serve as arbitrator. Parties to a labor dispute may agree in writing to have the commission act as a mediator or name arbitrators in all or any part of such dispute, and thereupon the commission shall have the power so to act. The commission shall appoint as arbitrators only competent, impartial and disinterested persons. Proceedings in any such arbitration shall be as provided in ch. 788.

SECTION 3789b. 111.11 (2) of the statutes is renumbered 111.115 (3).

SECTION 3789bc. 111.115 of the statutes is created to read:

(a) “Lockout” means the barring of one or more employees from their employment in an establishment by an employer as a part of a labor dispute, which is not directly subsequent to a strike or other job action of a labor organization or group of employees of the employer, or which continues or occurs after the termination of a strike or other job action of a labor organization or group of employees of the employer.

(b) “Strike” includes any concerted stoppage of work by employees, and any concerted slowdown or other concerted interruption of operations or services by employees, or any concerted refusal of employees to work or perform their usual duties as employees, for the purpose of enforcing demands upon an employer.

111.17 (2) All fringe benefits authorized or required to be provided by the University of Wisconsin Hospitals and Clinics Authority to its employees under ch. 40 shall be governed exclusively by ch. 40, except that where any provision of ch. 40 specifically permits a collective bargaining agreement under this subchapter to govern the eligibility for or the application, cost or terms of a fringe benefit under ch. 40, or provides that the eligibility for or the application, cost or terms of a fringe benefit under ch. 40 shall be governed by a collective bargaining agreement under this subchapter, a collective bargaining agreement may contain a provision so governing and such a provision supersedes any provision of ch. 40 with respect to the employees to whom the agreement applies. The employer is prohibited from engaging in collective bargaining concerning any matter governed exclusively by ch. 40 under this subsection.

Vetoed **SECTION 3789x.** 111.32 (3) of the statutes is amended to read:

Any person aggrieved by noncompliance with the order may have the order enforced specifically by suit in equity. If the examiner finds that the respondent has not engaged in discrimination, unfair honesty testing or unfair genetic testing as alleged in the complaint, the department shall serve a certified copy of the examiner’s findings on the complainant together with an order dismissing the complaint.

**SECTION 3792.** 111.395 of the statutes is amended to read:

Upon such review, or in any enforcement action, the department of justice shall represent the commission.

**SECTION 3793am.** 111.70 (1) (a) of the statutes is amended to read:

111.70 (1) (a) “Collective bargaining” means the performance of the mutual obligation of a municipal employer, through its officers and agents, and the representatives representative of its municipal employees in a collective bargaining unit, to meet and confer at reasonable times, in good faith, with the intention of reaching an agreement, or to resolve questions arising under such an agreement, with respect to wages, hours and conditions of employment, and with respect to a requirement of the municipal employer for a municipal employee to perform law enforcement and fire fighting services under s. 61.66, except as provided in sub. (4) (m) and s. 40.81 (3) and except that a municipal employer shall not meet and confer with respect to any proposal to diminish or abridge the rights guaranteed to municipal employees under ch. 164. The duty to bargain, however, does not compel either party to agree to a proposal or require the making of a concession. Collective bargaining includes the reduction of any agreement reached to a written and signed document. The municipal employer shall not be required to bargain on subjects reserved to management and direction of the governmental unit except insofar as the manner of exercise of such functions affects the wages, hours and conditions of employment of the municipal employees in a collective bargaining unit. In creating this subchapter the legislature recognizes that the public municipal employer must exercise its powers and responsibilities to act for the government and good order of the municipality jurisdiction which it serves, its commercial benefit and the health, safety and welfare of the public to assure orderly operations and functions within its jurisdiction, subject to those rights secured to public municipal employees by the constitutions of this state and of the United States and by this subchapter.
SECTION 3793c. 111.70 (1) (dm) of the statutes, as created by 1993 Wisconsin Act 16, section 2207ahm, is repealed and recreated to read:

111.70 (1) (dm) “Economic issue” means any issue that creates a new or increased financial liability upon the municipal employer, including salaries, overtime pay, sick leave, payments in lieu of sick leave usage, vacations, clothing allowances in excess of the actual cost of clothing, length-of-service credit, continuing education credit, shift premium pay, longevity pay, extra duty pay, performance bonuses, health insurance, life insurance, vacation pay, holiday pay, lead worker pay, temporary assignment pay, retirement contributions, severance or other separation pay, hazardous duty pay, certification or license payment, job security provisions, limitations on layoffs and contracting or subcontracting of work that would otherwise be performed by municipal employees in the collective bargaining unit with which there is a labor dispute.

SECTION 3793e. 111.70 (1) (nc) of the statutes, as created by 1993 Wisconsin Act 16, section 2207aho, is repealed and recreated to read:

111.70 (1) (nc) 1. “Qualified economic offer” means an offer made to a labor organization by a municipal employer that includes all of the following, except as provided in subd. 2.:

a. A proposal to maintain the percentage contribution by the municipal employer to the municipal employees’ existing fringe benefits costs as determined under sub. (4) (cm) 8s., and to maintain all fringe benefits provided to the municipal employees in a collective bargaining unit, as such contributions and benefits existed on the 90th day prior to expiration of any previous collective bargaining agreement between the parties, or the 90th day prior to commencement of negotiations if there is no previous collective bargaining agreement between the parties.

b. In any collective bargaining unit in which the municipal employee positions were on August 12, 1993, assigned to salary ranges with steps that determine the levels of progression within each salary range during a 12-month period, a proposal to provide for a salary increase of at least one full step for each 12-month period covered by the proposed collective bargaining agreement, beginning with the expiration date of any previous collective bargaining agreement, or unless the increased cost required to maintain the percentage contribution by the municipal employer to the municipal employees’ existing fringe benefit costs and to maintain all fringe benefits provided to the municipal employees, as determined under sub. (4) (cm) 8s., in addition to the increased cost of providing such a salary increase, exceeds 3.8% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the proposed collective bargaining agreement, or unless the increased cost required to maintain the percentage contribution by the municipal employer to the municipal employees’ existing fringe benefit costs and to maintain all fringe benefits provided to the municipal employees, as determined under sub. (4) (cm) 8s., in addition to the increased cost of providing such a salary increase, exceeds 3.8% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the proposed collective bargaining agreement, in which case the offer shall include provision for a salary increase for each such municipal employee in an amount at least equivalent to that portion of a step for each such 12-month period that can be funded after the increased cost in excess of 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit is subtracted, or in an amount equivalent to that portion of a step for each such 12-month period that can be funded from the amount that remains, if any, after the increased cost of such maintenance exceeding 1.7% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for each 12-month period is subtracted on a prorated basis, whichever is the lower amount.

c. A proposal to provide for an average salary increase for each 12-month period covered by the proposed collective bargaining agreement, beginning with the expiration date of any previous collective bargaining agreement, for the municipal employees in the collective bargaining unit at least equivalent to an average cost of 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for each 12-month period covered by the proposed collective bargaining agreement, beginning with the expiration date of any previous collective bargaining agreement, including that percentage required to provide for any step increase and any increase due to a promotion or the attainment of increased professional qualifications, as determined under sub. (4) (cm) 8s., unless the increased cost of providing such a salary increase, as determined under sub. (4) (cm) 8s., exceeds 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the proposed collective bargaining agreement, or unless the increased cost required to maintain the percentage contribution by the municipal employer to the municipal employees’ existing fringe benefit costs and to maintain all fringe benefits provided to the municipal employees, as determined under sub. (4) (cm) 8s., in addition to the increased cost of providing such a salary increase, exceeds 3.8% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the collective bargaining agreement, in which case the offer shall include provision for a salary increase for each such period for the municipal employees covered by the agreement at least equivalent to an average of that percentage, if any, for each such period of the prorated portion of 2.1% of the total compensation and fringe benefit costs for all municipal employees in the col-
Section 3794m. 111.70 (1) (ne) of the statutes is amended to read:

111.70 (1) (ne) “School district professional employee” means a municipal employee who is a professional employee and who is employed by to perform services for a school district, who holds a license issued by the state superintendent of public instruction under s. 115.28 (7), and whose employment requires that license.

Section 3794c. 111.70 (1) (nm) of the statutes, as affected by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (1) (nm) “Strike” includes any strike or other concerted stoppage of work by municipal employees, and any concerted slowdown or other concerted interruption of operations or services by municipal employees, or any concerted refusal to work or perform their usual duties as municipal employees, for the purpose of enforcing demands upon a municipal employer. Such conduct by municipal employees which is not authorized or condoned by a labor organization constitutes a “strike”, but does not subject such labor organization to the penalties under this subchapter. This paragraph does not apply to collective bargaining units composed of municipal employees who are engaged in law enforcement or fire fighting functions.

Section 3794e. 111.70 (3) (a) 7. of the statutes, as affected by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (3) (a) 7. To refuse or otherwise fail to implement an arbitration decision lawfully made under sub. (4) (cm).

Section 3794g. 111.70 (3) (b) 6. of the statutes, as affected by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (3) (b) 6. To refuse or otherwise fail to implement an arbitration decision lawfully made under sub. (4) (cm).

Section 3794h. 111.70 (4) (c) (title) of the statutes is amended to read:

111.70 (4) (c) (title) Methods for peaceful settlement of disputes; law enforcement and fire fighting personnel.

Section 3794i. 111.70 (4) (c) 4. of the statutes, as affected by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (4) (c) 4. ‘Applicability.’ This paragraph applies only to municipal employees who are engaged in law enforcement or fire fighting functions.

Section 3794k. 111.70 (4) (cm) of the statutes, as affected by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (4) (cm) Methods for peaceful settlement of disputes; other personnel. 1. ‘Notice of commencement of contract negotiations.’ For the purpose of advising the commission of the commencement of contract negotiations, whenever either party requests the other to reopen negotiations under a binding collective bargaining agreement, or the parties otherwise commence negotiations if no such agreement exists, the party requesting negotiations shall immediately notify the other party to provide such notice, the other party may so notify the commission. The notice shall specify the expiration date of the existing collective bargaining agreement, if any, and shall set forth any additional information the commission may require on a form provided by the commission.

2. ‘Presentation of initial proposals; open meetings.’ The meetings between parties to a collective bargaining agreement or proposed collective bargaining agreement under this subchapter which are held for the purpose of presenting initial bargaining proposals, along with supporting rationale, shall be open to the public. Each party shall submit its initial bargaining proposals to the other party in writing. Failure to comply with this subdivision is not cause to invalidate a collective bargaining agreement under this subchapter.

3. ‘Mediation.’ The commission or its designee shall function as mediator in labor disputes involving municipal employees upon request of one or both of the parties,
or upon initiation of the commission. The function of the mediator shall be to encourage voluntary settlement by the parties. No mediator has the power of compulsion.

4. ‘Grievance arbitration.’ Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement may agree in writing to have the commission or any other appropriate agency serve as arbitrator or may designate any other competent, impartial and disinterested person to so serve.

5. ‘Voluntary impasse resolution procedures.’ In addition to the other impasse resolution procedures provided in this paragraph, a municipal employer and labor organization may at any time, as a permissive subject of bargaining, agree in writing to a dispute settlement procedure, including authorization for a strike by municipal employees or binding interest arbitration, which is acceptable to the parties for resolving an impasse over terms of any collective bargaining agreement under this subchapter. A copy of such agreement shall be filed by the parties with the commission. If the parties agree to any form of binding interest arbitration, the arbitrator shall give weight to the factors enumerated under subds. 7., 7g. and 7r.

5s. ‘Issues subject to arbitration.’ In a collective bargaining unit consisting of school district professional employees, the municipal employer or the labor organization may petition the commission to determine whether the municipal employer has submitted a qualified economic offer. The commission shall appoint an investigator for that purpose. If the investigator finds that the municipal employer has submitted a qualified economic offer, the investigator shall determine whether a deadlock exists between the parties with respect to all economic issues. If the municipal employer submits a qualified economic offer applicable to any period beginning on or after July 1, 1993, no economic issues are subject to interest arbitration under subd. 6. for that period. In such a collective bargaining unit, economic issues concerning the wages, hours of employment of the school district professional employees in the unit for any period prior to July 1, 1993, are subject to interest arbitration under subd. 6. for that period. In such a collective bargaining unit, noneconomic issues applicable to any period on or after July 1, 1993, are subject to interest arbitration after the parties have reached agreement and stipulate to agreement on all economic issues concerning the wages, hours or conditions of employment of the school district professional employees in the unit for that period. In such a collective bargaining unit, if the commission’s investigator finds that the municipal employer has submitted a qualified economic offer and that a deadlock exists between the parties with respect to all economic issues, the municipal employer may implement the qualified economic offer. On the 90th day prior to expiration of the period included within the qualified economic offer, if no agreement exists on that day, the parties are deemed to have stipulated to the inclusion in a new or revised collective bargaining agreement of all provisions of any predecessor collective bargaining agreement concerning economic issues, or of all provisions of any existing collective bargaining agreement concerning economic issues if the parties have reopened negotiations under an existing agreement, as modified by the terms of the qualified economic offer and as otherwise modified by the parties. In such a collective bargaining unit, on and after that 90th day, a municipal employer that refuses to bargain collectively with respect to the terms of that stipulation, applicable to the 90−day period prior to expiration of the period included within the qualified economic offer, does not violate sub. (3) (a) 4. Any such unilateral implementation after August 11, 1993, during the 90−day period prior to expiration of the period included within a qualified economic offer, operates as a full, final and complete settlement of all economic issues between the parties for the period included within the qualified economic offer. The failure of a labor organization to recognize the validity of such a lawful qualified economic offer does not affect the obligation of the municipal employer to submit economic issues to arbitration under subd. 6.

6. ‘Interest arbitration.’ a. If in any collective bargaining unit a dispute relating to one or more issues, qualifying for interest arbitration under subd. 5s. in a collective bargaining unit to which subd. 5s. applies, has not been settled after a reasonable period of negotiation and after mediation by the commission under subd. 3. and other settlement procedures, if any, established by the parties have been exhausted, and the parties are deadlocked with respect to any dispute between them over wages, hours and conditions of employment to be included in a new collective bargaining agreement, either party, or the parties jointly, may petition the commission, in writing, to initiate compulsory, final and binding arbitration, as provided in this paragraph. At the time the petition is filed, the petitioning party shall submit in writing to the other party and the commission its preliminary final offer containing its latest proposals on all issues in dispute. Within 14 calendar days after the date of that submission, the other party shall submit in writing its preliminary final offer on all disputed issues to the petitioning party and the commission. If a petition is filed jointly, both parties shall exchange their preliminary final offers in writing and submit copies to the commission at the time the petition is filed.

am. Upon receipt of a petition to initiate arbitration, the commission shall make an investigation, with or without a formal hearing, to determine whether arbitration should be commenced. If in determining whether an impasse exists the commission finds that the procedures set forth in this paragraph have not been complied with and such compliance would tend to result in a settlement, it may order such compliance before ordering arbitration. The validity of any arbitration award or collective bar-
gaining agreement shall not be affected by failure to comply with such procedures. Prior to the close of the investigation each party shall submit in writing to the commission its single final offer containing its final proposals on all issues in dispute that are subject to interest arbitration under this subdivision or under subd. 5s. in collective bargaining units to which subd. 5s. applies. If a party fails to submit a single, ultimate final offer, the commission shall close the investigation based on the last written position of the party. The municipal employer may not submit a qualified economic offer under subd. 5s. after the close of the investigation. Such final offers may include only mandatory subjects of bargaining, except that a permissive subject of bargaining may be included by a party if the other party does not object and shall then be treated as a mandatory subject. No later than such time, the parties shall also submit to the commission a stipulation, in writing, with respect to all matters which are agreed upon for inclusion in the new or amended collective bargaining agreement. The commission, after receiving a report from its investigator and determining that arbitration should be commenced, shall issue an order requiring arbitration and immediately submit to the parties a list of 7 arbitrators. Upon receipt of such list, the parties shall alternately strike names until a single name is left, who shall be appointed as arbitrator. The petitioning party shall notify the commission in writing of the identity of the arbitrator selected. Upon receipt of such notice, the commission shall formally appoint the arbitrator and submit to him or her the final offers of the parties. The final offers shall be considered public documents and shall be available from the commission. In lieu of a single arbitrator and upon request of both parties, the commission shall appoint a tripartite arbitration panel consisting of one member selected by each of the parties and a neutral person designated by the commission who shall serve as a chairperson. An arbitration panel has the same powers and duties as provided in this section for any other appointed arbitrator, and all arbitration decisions by such panel shall be determined by majority vote. In lieu of selection of the arbitrator by the parties and upon request of both parties, the commission shall establish a procedure for randomly selecting names of arbitrators. Under the procedure, the commission shall submit a list of 7 arbitrators to the parties. Each party shall strike one name from the list. From the remaining 5 names, the commission shall randomly appoint an arbitrator. Unless both parties to an arbitration proceeding otherwise agree in writing, every individual whose name is submitted by the commission for appointment as an arbitrator shall be a resident of this state at the time of submission and every individual who is designated as an arbitration panel chairperson shall be a resident of this state at the time of designation.

b. The arbitrator shall, within 10 days of his or her appointment, establish a date and place for the conduct of the arbitration hearing. Upon petition of at least 5 citizens of the jurisdiction served by the municipal employer, filed within 10 days after the date on which the arbitrator is appointed, the arbitrator shall hold a public hearing in the jurisdiction for the purpose of providing the opportunity to both parties to explain or present supporting arguments for their positions and to members of the public to offer their comments and suggestions. The final offers of the parties, as transmitted by the commission to the arbitrator, shall serve as the basis for continued negotiations, if any, between the parties with respect to the issues in dispute. At any time prior to the arbitration hearing, either party, with the consent of the other party, may modify its final offer in writing.

c. Prior to the arbitration hearing, either party may, within a time limit established by the arbitrator, withdraw its final offer and mutually agreed upon modifications thereof, if any, and shall immediately provide written notice of such withdrawal to the other party, the arbitrator and the commission. If both parties withdraw their final offers and mutually agreed upon modifications, the final offer of neither party shall be deemed withdrawn and the arbitrator shall proceed to resolve the dispute by final and binding arbitration as provided in this paragraph.

d. Before issuing his or her arbitration decision, the arbitrator shall, on his or her own motion or at the request of either party, conduct a meeting open to the public for the purpose of providing the opportunity to both parties to explain or present supporting arguments for their complete offer on all matters to be covered by the proposed agreement. The arbitrator shall adopt without further modification the final offer of one of the parties on all disputed issues submitted under subd. 6. a., except those items that the commission determines not to be mandatory subjects of bargaining and those items which have not been treated as mandatory subjects by the parties, and including any prior modifications of such offer mutually agreed upon by the parties under subd. 6. b., which decision shall be final and binding on both parties and shall be incorporated into a written collective bargaining agreement. The arbitrator shall serve a copy of his or her decision on both parties and the commission.

e. Arbitration proceedings shall not be interrupted or terminated by reason of any prohibited practice complaint filed by either party at any time.

f. The costs of arbitration shall be divided equally between the parties. The arbitrator shall submit a statement of his or her costs to both parties and to the commission.

g. If a question arises as to whether any proposal made in negotiations by either party is a mandatory, permissive or prohibited subject of bargaining, the commission shall determine the issue pursuant to par. (b). If either party to
the dispute petitions the commission for a declaratory ruling under par. (b), the proceedings under subd. 6. c. and d. shall be delayed until the commission renders a decision in the matter, but not during any appeal of the commission order. The arbitrator’s award shall be made in accordance with the commission’s ruling, subject to automatic amendment by any subsequent court reversal thereof.

7. ‘Factor given greatest weight.’ In making any decision under the arbitration procedures authorized by this paragraph, the arbitrator or arbitration panel shall consider and shall give the greatest weight to any state law or directive lawfully issued by a state legislative or administrative officer, body or agency which places limitations on expenditures that may be made or revenues that may be collected by a municipal employer. The arbitrator or arbitration panel shall give an accounting of the consideration of this factor in the arbitrator’s or panel’s decision.

7g. ‘Factor given greater weight.’ In making any decision under the arbitration procedures authorized by this paragraph, the arbitrator or arbitration panel shall consider and shall give greater weight to economic conditions in the jurisdiction of the municipal employer than to any of the factors specified in subd. 7r.

7r. ‘Other factors considered.’ In making any decision under the arbitration procedures authorized by this paragraph, the arbitrator or arbitration panel shall also give weight to the following factors:

a. The lawful authority of the municipal employer.

b. Stipulations of the parties.

c. The interests and welfare of the public and the financial ability of the unit of government to meet the costs of any proposed settlement.

d. Comparison of wages, hours and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours and conditions of employment of other employees performing similar services.

e. Comparison of the wages, hours and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours and conditions of employment of other employees generally in public employment in the same community and in comparable communities.

f. Comparison of the wages, hours and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours and conditions of employment of other employees in private employment in the same community and in comparable communities.

g. The average consumer prices for goods and services, commonly known as the cost of living.

h. The overall compensation presently received by the municipal employees, including direct wage compensation, vacation, holidays and excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment, and all other benefits received.

i. Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

j. Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

8. ‘Rule making.’ The commission shall adopt rules for the conduct of all arbitration proceedings under subd. 6., including, but not limited to, rules for:

a. The appointment of tripartite arbitration panels when requested by the parties.

b. The expeditious rendering of arbitration decisions, such as waivers of briefs and transcripts.

c. The removal of individuals who have repeatedly failed to issue timely decisions from the commission’s list of qualified arbitrators.

d. Proceedings for the enforcement of arbitration decisions.

8m. ‘Term of agreement; reopening of negotiations.’

a. Except for the initial collective bargaining agreement between the parties and except as the parties otherwise agree, every collective bargaining agreement covering municipal employees subject to this paragraph other than school district professional employees shall be for a term of 2 years. No collective bargaining agreement for any collective bargaining unit consisting of municipal employees subject to this paragraph other than school district professional employees shall be for a term exceeding 3 years.

b. Except for the initial collective bargaining agreement between the parties, every collective bargaining agreement covering municipal employees who are school district professional employees shall be for a term of 2 years expiring on June 30 of the odd-numbered year. An initial collective bargaining agreement between parties covering municipal employees who are school district professional employees shall be for a term ending on June 30 following the effective date of the agreement, if that date is in an odd-numbered year, or otherwise on June 30 of the following year.

c. No arbitration award may contain a provision for reopening of negotiations during the term of a collective bargaining agreement, unless both parties agree to such a provision. The requirement for agreement by both parties does not apply to a provision for reopening of negotiations with respect to any portion of an agreement that is declared invalid by a court or administrative agency or rendered invalid by the enactment of a law or promulgation of a federal regulation.

8p. ‘Professional school employee salaries.’ In every collective bargaining unit covering municipal employe
who are school district professional employees in which the municipal employee positions were, on the effective date of this subdivision ..., [revisor inserts date], assigned to salary ranges with steps that determine the levels of progression within each salary range, unless the parties otherwise agree, no new or modified collective bargaining agreement may contain any provision altering the salary range structure, the number of steps or the requirements for attaining a step or assignment of a position to a salary range, except that if the cost of funding the attainment of a step is greater than the amount required for the municipal employer to submit a qualified economic offer, the agreement may contain a provision altering the requirements for attaining a step to no greater extent than is required for the municipal employer to submit a qualified economic offer at the minimum possible cost to the municipal employer.

8s. ‘Forms for determining costs.’ The commission shall prescribe forms for calculating the total increased cost to the municipal employer of compensation and fringe benefits provided to school district professional employees. The cost shall be determined based upon the total cost of compensation and fringe benefits provided to school district professional employees who are represented by a labor organization on the 90th day before expiration of any previous collective bargaining agreement between the parties, or who were so represented if the effective date is retroactive, or the 90th day prior to commencement of negotiations if there is no previous collective bargaining agreement between the parties, without regard to any change in the number, rank or qualifications of the school district professional employees. For purposes of such determinations, any cost increase that is incurred on any day other than the beginning of the 12-month period commencing with the effective date of the agreement or any succeeding 12-month period commencing on the anniversary of that effective date shall be calculated as if the cost increase were incurred as of the beginning of the 12-month period beginning on the effective date or anniversary of the effective date in which the cost increase is incurred. In each collective bargaining unit to which subd. 5s. applies, the municipal employer shall transmit to the commission and the labor organization a completed form for calculating the total increased cost to the municipal employer of compensation and fringe benefits provided to the school district professional employees covered by the agreement as soon as possible after the effective date of the agreement.

9. ‘Application.’ a. Chapter 788 does not apply to arbitration proceedings under this paragraph.

b. This paragraph does not apply to labor disputes involving municipal employees who are engaged in law enforcement or fire fighting functions.

Section 3794m. 111.70 (4) (cn) of the statutes, as created by 1993 Wisconsin Act 16, is repealed and recreated to read:

111.70 (4) (cn) Term of professional school employee agreements. Except for the initial collective bargaining agreement between the parties, every collective bargaining agreement covering municipal employees who are school district professional employees shall be for a term of 2 years expiring on June 30 of the odd-numbered year. An initial collective bargaining agreement between parties covering municipal employees who are school district professional employees shall be for a term ending on June 30 following the effective date of the agreement, if that date is in an odd-numbered year, or otherwise on June 30 of the following year.

Section 3800am. 111.70 (4) (d) 2. a. of the statutes is amended to read:

111.70 (4) (d) 2. a. The commission shall determine the appropriate collective bargaining unit for the purpose of collective bargaining and shall whenever possible, unless otherwise required under this subchapter, avoid fragmentation by maintaining as few collective bargaining units as practicable in keeping with the size of the total municipal work force. In making such a determination, the commission may decide whether, in a particular case, the municipal employees in the same or several departments, divisions, institutions, crafts, professions or other occupational groupings constitute a collective bargaining unit. The commission shall place the professional employees who are assigned to perform any services at a charter school, as defined in s. 115.001 (1), in a separate collective bargaining unit from a unit that includes any other professional employees whenever at least 30% of those professional employees request an election to be held to determine that issue and a majority of the professional employees at the charter school who cast votes in the election decide to be represented in a separate collective bargaining unit. Any vote taken under this subsection shall be by secret ballot.

(4) (L), the municipal employer or any citizen directly affected by such strike may petition the circuit court for an injunction to immediately terminate the strike. If the court determines that the strike is prohibited under sub. (4) (L), it shall issue an order immediately enjoining the strike, and in addition shall impose the penalties provided in par. (c).

(b) INJUNCTION; THREAT TO PUBLIC HEALTH OR SAFETY. At any time after a labor organization gives advance notice of a strike under sub. (4) (cm) which is expressly authorized under sub. (4) (cm), the municipal employer or any citizen directly affected by such strike may petition the circuit court to enjoin the strike. If the court finds that the strike poses an imminent threat to the public health or safety, the court shall, within 48 hours after the receipt of the petition but after notice to the parties and after holding a hearing, issue an order immediately enjoining the strike, and in addition shall order the parties to submit a new final offer on all disputed issues to the commission for final and binding arbitration as provided in sub. (4) (cm). The commission, upon receipt of the final offers of the parties, shall transmit them to the arbitrator or a successor designated by the commission. After the injunction has been issued, any municipal employee who is absent from work because of purported illness is presumed to be on strike unless the illness is verified by a written report from a physician to the municipal employer. The court shall order that any fine imposed under this subdivision be paid by means of a salary deduction at a rate to be determined by the court.

3. ‘Strike in violation of award.’ Any person who authorizes or otherwise participates in a strike after the issuance of any final and binding arbitration award or decision under sub. (4) (cm) and prior to the end of the term of the agreement which the award or decision amends or creates shall forfeit not less than $15. Each day of continued violation constitutes a separate offense.
4. ‘Contempt of court.’ The penalties provided in this paragraph do not preclude the imposition by the court of any penalty for contempt provided by law.

(d) Compensation forfeited. No municipal employe may be paid wages or salaries by the municipal employer for the period during which he or she engages in any strike.

(e) Civil liability. Any party refusing to include an arbitration award or decision under sub. (4) (cm) in a written collective bargaining agreement or failing to implement the award or decision, unless good cause is shown, shall be liable for attorney fees, interest on delayed monetary benefits, and other costs incurred in any action by the nonoffending party to enforce the award or decision.

If the commissioner division doubts the justice and validity of any claim, the commissioner division may reject the same, and serve notice of such rejection upon the claimant either by mail or personally. An affidavit of the service of such notice, which shall be prima facie evidence thereof, shall be filed with the commissioner division. In making computations for each month the total supervision cost and all book values of unliquidated assets shall be determined as of the last business day of the preceding month. The moneys collected by the commissioner of banking division shall be from time to time deposited in one or more state banks, and, in case of the suspension or insolvency of the depository, such deposits shall be preferred before all other deposits.

The banking review board shall act speedily on such application. In case of the death, removal, or refusal to act of any such agent or agents, the stockholders, on the same notice, to be given by the commissioner division upon proof of such death, removal, or refusal to act being filed with it, and by the same vote hereinafter provided, may elect a successor, who shall have the same powers and be subject to the same liabilities and duties as the agent originally elected.

(2) (a) No officer, employee or agent of the board of regents, including any student who is enrolled at an institution or center within the University of Wisconsin System, is an agent of the authority unless the officer, employee or agent acts at the express written direction of the authority.

(b) Notwithstanding par. (a), no member of the faculty or academic staff of the University of Wisconsin System, acting within the scope of his or her employment, may be considered, for liability purposes, as an agent of the authority.

233.20 Issuance of bonds. (1) The authority may issue bonds for any corporate purpose. All bonds are negotiable for all purposes, notwithstanding their payment from a limited source.

(2) The bonds of each issue shall be payable from sources specified in the bond resolution under which the bonds are issued or in a related trust agreement, trust indenture, indenture of mortgage or deed of trust.

(3) The authority may not issue bonds unless the issuance is first authorized by a bond resolution. Bonds shall bear the dates, mature at the times not exceeding 30 years from their dates of issue, bear interest at the rates, be payable at the times, be in the denominations, be in the form, carry the registration and conversion privileges, be executed in the manner, be payable in lawful money of the United States at the places, and be subject to the terms of redemption, that the bond resolution provides. The bonds shall be executed by the manual or facsimile signatures of the officers of the authority designated by the board. The bonds may be sold at public or private sale at the price, in the manner and at the time determined by the board. Pending preparation of definitive bonds, the authority may issue interim receipts or certificates that shall be exchanged for the definitive bonds.

(4) Any bond resolution may contain provisions, which shall be a part of the contract with the holders of the bonds that are authorized by the bond resolution, regarding any of the following:

(b) Setting aside reserves or sinking funds, and the regulation, investment and disposition of these funds.

(c) Limitations on the purpose to which or the investments in which the proceeds of the sale of any issue of bonds may be applied.

(d) Limitations on the issuance of additional bonds, the terms upon which additional bonds may be issued and secured and the terms upon which additional bonds may rank on a parity with, or be subordinate or superior to, other bonds.
(e) Funding, refunding, advance refunding or purchasing outstanding bonds.

(h) Other matters relating to the bonds that the board considers desirable.

(5) Neither the members of the board nor any person executing the bonds is liable personally on the bonds or subject to any personal liability or accountability by reason of the issuance of the bonds, unless the personal liability or accountability is the result of wilful misconduct.

233.21 Bond security. The authority may secure bonds by a trust agreement, trust indenture, indenture of mortgage or deed of trust by and between the authority and one or more corporate trustees. A bond resolution providing for the issuance of bonds so secured shall mortgage, pledge, assign or grant security interests in some or all of the revenues to be received by, and property of, the authority and may contain those provisions for protecting and enforcing the rights and remedies of the bondholders that are reasonable and proper and not in violation of law. A bond resolution may contain other provisions determined by the board to be reasonable and proper for the security of the bondholders.

233.22 Bonds not public debt. (1) The state is not liable on bonds and the bonds are not a debt of the state. All bonds shall contain a statement to this effect on the face of the bond. A bond issue does not, directly or indirectly or contingently, obligate the state or a political subdivision of the state to levy any tax or make any appropriation for payment of the bonds. Nothing in this section prevents the authority from pledging its full faith and credit to the payment of bonds.

(2) Nothing in this chapter authorizes the authority to create a debt of the state, and all bonds issued by the authority are payable, and shall state that they are payable, solely from the funds pledged for their payment in accordance with the bond resolution authorizing their issuance or in any trust indenture or mortgage or deed of trust executed as security for the bonds. The state is not liable for the payment of the principal or interest on a bond or for the performance of any pledge, mortgage, obligation or agreement that may be undertaken by the authority. The breach of any pledge, mortgage, obligation or agreement undertaken by the authority does not impose pecuniary liability upon the state or a charge upon its general credit or against its taxing power.

233.23 State pledge. The state pledges to and agrees with the bondholders, and persons that enter into contracts with the authority under this chapter, that the state will not limit or alter the rights vested in the authority by this chapter before the authority has fully met and discharged the bonds, and any interest due on the bonds, and has fully performed its contracts, unless adequate provision is made by law for the protection of the bondholders or those entering into contracts with the authority.

233.26 Refunding bonds. (1) The authority may issue bonds to fund or refund any outstanding bond, including the payment of any redemption premium on the outstanding bond and any interest accrued or to accrue to the earliest or any subsequent date of redemption, purchase or maturity.

(2) The authority may apply the proceeds of any bond issued to fund or refund any outstanding bond to purchase, retire at maturity or redeem any outstanding bond. The authority may, pending application, place the proceeds in escrow to be applied to the purchase, retirement at maturity or redemption of any outstanding bond at any time.

233.27 Limit on the amount of outstanding bonds. The authority may not issue bonds or incur indebtedness described under s. 233.03 (12) if, after the bonds are issued or the indebtedness is incurred, the aggregate principal amount of the authority’s outstanding bonds, together with all indebtedness described under s. 233.03 (12) would exceed $50,000,000. Bonds issued to fund or refund outstanding bonds, or indebtedness incurred to pay off or purchase outstanding indebtedness, is not included in calculating compliance with the $50,000,000 limit.

The registration statement shall be filed on forms prescribed by the commissioner division, and shall be accompanied by a consent by the offeror to service of process specified in s. 551.65 (1) and the filing fee specified in s. 552.15 (1), and shall contain the following information and such additional information as the commissioner by rule prescribes:

Section 6777. 552.05 (3) of the statutes is amended to read:

552.05 (3) The commissioner division may require the offeror to file any other documents, exhibits and information that the commissioner division deems material to the take-over offer, and the commissioner division may permit the omission of any of the information specified in sub. (2) if the commissioner division determines that such information is not required for the protection of offerees. The commissioner division may by order summarily delay the effective date of the offer if the commissioner division determines that the registration statement does not contain all of the information specified in sub. (2) or does not provide full disclosure to offerees of all material information concerning the offer.
SECTION 6778. 552.05 (4) of the statutes is amended to read:

552.05 (4) A take-over offer becomes effective 10 days after the date of filing the registration statement with the commissioner division unless delayed by order, or unless prior thereto the commissioner division calls a hearing with respect to the offer. The commissioner division may call a hearing if it is necessary or appropriate for the protection of offerees in this state. Within 5 days after the filing of the registration statement, the target company, acting through its board of directors, may petition the commissioner division to hold a hearing with respect to the take-over offer, except that the target company may not request a hearing if it has requested a hearing with respect to the take-over offer under a law of any other state similar to this chapter. The petition shall set forth the specific basis asserted under sub. (5) for denying, delaying or requiring amendment of the registration statement. Within 72 hours after the petition is filed the commissioner division shall either call a hearing or notify the target company in writing or by telephone or telegraph why a hearing was not called. If a hearing is called by the commissioner division and the target company subsequently requests a hearing with respect to the take-over offer under a law of another state similar to this chapter the commissioner division shall dismiss any hearing proceedings under this chapter. If a hearing is called, the offer is not effective until registered by order of the commissioner division, except that the commissioner division may issue an exemption order permitting a conditional take-over offer under sub. (1) to commence.

SECTION 6779. 552.05 (5) of the statutes is amended to read:

552.05 (5) Any hearing called by the commissioner division under this section shall be held within 20 days of the date of filing of the registration statement under sub. (1), and any determination made following the hearing shall be made within 30 days after the filing, unless extended by order of the commissioner division for the convenience of the parties or for the protection of offerees in this state, but an extension may not exceed offering period limitations relating to take-over offers prescribed by the securities exchange act of 1934 or rules and regulations under that act, if the take-over offer is subject to the securities exchange act of 1934. If, following the hearing, the commissioner division finds that the take-over offer fails to provide for full and fair disclosure of offerees of all material information concerning the offer, the offer will not be made to all stockholders on substantially equal terms, the offer is in violation of ch. 551 or this chapter or the offeror is delinquent in filing an ownership information statement or has filed an ownership information statement that contains a false statement of a material fact or omits to state a material fact necessary to make the statements made not misleading, the commissioner division may, by order, deny registration of the offer, prohibit the offeror from filing a registration statement relating to a proposed take-over offer involving the target company for a period of up to 180 days or permit the take-over offer to be amended and by order register the amended take-over offer.

SECTION 6780. 552.05 (6) of the statutes is amended to read:

552.05 (6) If the commissioner division does not enter an order denying or postponing registration under sub. (5), the commissioner division shall, by order, register the take-over offer or amended take-over offer. Registration of the take-over offer is not approval of the take-over offer by the commissioner division.

SECTION 6781. 552.07 (1) of the statutes is amended to read:

552.07 (1) Copies of all advertisements, circulars, letters or other materials published by the offeror or the target company, soliciting or requesting the acceptance or rejection of the take-over offer, shall be filed with the commissioner division and sent to the target company or offeror, respectively, not later than the time copies of such solicitation materials are first published or used or sent to security holders of the target company.

SECTION 6782. 552.07 (2) of the statutes is amended to read:

552.07 (2) Solicitation materials used in connection with a take-over offer shall not contain any false statement of a material fact or omit to state a material fact necessary to make the statements therein not misleading. The commissioner division may by rule or order prohibit the use of any solicitation materials deemed false or misleading.

SECTION 6783. 552.08 of the statutes is amended to read:

552.08 Comity. The registration and filing requirements of ss. 552.05 and 552.07 do not apply to a take-over offer subject to this chapter if the commissioner division determines by order that another jurisdiction has statutes or rules which are applicable to the take-over offer and are being applied which afford protection to security holders located in this state substantially equal to the protection afforded security holders by this chapter. The issuance of an order under this section does not prohibit the commissioner division from participating in any proceeding in the other jurisdiction to the extent necessary to protect security holders in this state.

SECTION 6784. 552.09 (5) of the statutes is amended to read:

552.09 (5) Acquisition by or through a broker-dealer acting on behalf of an offeror or a target company of any equity security of the target company in connection with a take-over offer unless the broker-dealer files with the commissioner division such information as the commissioner division requires and to the extent permitted by rule or order by the commissioner division, or unless the broker-dealer did not know and in the exercise of reason-
able care could not have known that the person for whom it acted was an offeror or a target company or that the acquisition was in connection with a take-over offer.

**SECTION 6785.** 552.11 (2) of the statutes is amended to read:

552.11 (2) An offeror shall provide that any equity securities of a target company subject to s. 552.05 deposited or tendered pursuant to a registered take-over offer may be withdrawn by or on behalf of any offeree at any time within 7 days from the date the offer has become effective under this chapter and after 60 days from the date the offer has become effective under this chapter, except as the commissioner division may otherwise prescribe by rule or order for the protection of investors. In any offer permitted to commence by an exemption order under s. 552.05 (1), the offeror shall provide that any equity securities tendered or deposited pursuant to the conditional offer will be purchased by the offeror only in the event a subsequent registration of the offer occurs under this chapter.

**SECTION 6786.** 552.11 (5) of the statutes is amended to read:

552.11 (5) No offeror may make a take-over offer involving a target company subject to s. 552.05, or acquire any equity securities of the target company pursuant to the offer, at any time when an administrative or injunctive proceeding has been brought by the commissioner division against the offeror for violation of this chapter that has not been finally determined.

**SECTION 6787.** 552.11 (6) of the statutes is amended to read:

552.11 (6) No offeror may acquire, remove or exercise control, directly or indirectly, over any assets located in this state of a target company subject to s. 552.05 unless the take-over offer is effective or exempt under this chapter, except as permitted by order of the commissioner division.

**SECTION 6788.** 552.13 (1) of the statutes is amended to read:

552.13 (1) This chapter shall be administered by the commissioner of securities, who division, which may exercise all powers granted to the commissioner division under ch. 551 which are not inconsistent with this chapter.

**SECTION 6789.** 552.13 (2) of the statutes is amended to read:

552.13 (2) The commissioner division may adopt rules necessary to carry out the purposes of this chapter, including rules defining fraudulent or deceptive practices and other terms used in this chapter.

**SECTION 6790.** 552.13 (3) of the statutes is amended to read:

552.13 (3) The commissioner division may by rule or order exempt from any provisions of this chapter take-over offers that the commissioner division determines are not made for the purpose or do not have the effect of changing or influencing the control of a target company or where compliance with this chapter is not necessary for the protection of offerees in this state, and may exempt any person from the filing of statements under this chapter.

**SECTION 6791.** 552.13 (4) of the statutes is amended to read:

552.13 (4) The commissioner division may by order direct any person to file any statement provided for in this chapter if it appears that such person is required to file such statement and is delinquent in the filing of such statement.

**SECTION 6792.** 552.15 (1) of the statutes is amended to read:

552.15 (1) The commissioner division shall charge a filing fee of $100 for a registration statement filed by an offeror and $100 for a request for hearing filed by a target company.

**SECTION 6793.** 552.15 (3) of the statutes is amended to read:

552.15 (3) The expenses reasonably attributable to the examination of solicitation materials shall be charged to the person filing them, but the expenses so charged shall not exceed such maximum amounts as the commissioner division by rule prescribes.

**SECTION 6794.** 552.17 of the statutes is amended to read:

552.17 **Injunctions.** Whenever it appears that any person, including a controlling person of an offeror or target company, has engaged or is about to engage in any act or practice constituting a violation of this chapter or any rule or order under this chapter, the commissioner division may bring an action in the name of the state in the circuit court of the appropriate county to enjoin the acts or practices and to enforce compliance with this chapter or any rule or order under this chapter, or may refer the matter to the attorney general or the district attorney of the appropriate county. Upon a proper showing, the court may grant a permanent or temporary injunction or restraining order, may order rescission of any sales or purchases of securities determined to be unlawful under this chapter or any rule or order under this chapter or may grant other appropriate relief. The court may not require the commissioner division to post a bond.

**SECTION 6795.** 552.19 (2) of the statutes is amended to read:

552.19 (2) The commissioner division may refer such evidence as is available concerning violations of this chapter or of any rule or order under this chapter to the attorney general or the district attorney of the appropriate county who may, with or without any reference, institute the appropriate criminal proceedings under this chapter. If referred to a district attorney, the district attorney shall, within 90 days, file with the commissioner division a statement concerning any action taken or, if no action has been taken, the reasons therefor.

812.44 (4) The notice of exemption served upon the garnishee under s. 812.35 (4) shall be in substantially the following form:

**STATE OF WISCONSIN**

**CIRCUIT COURT:** 

**A.B., Creditor**

**vs.**

**C.D., Debtor**

**EXEMPTION NOTICE**

**E.F., Garnishee**

To the debtor:

The creditor was awarded a judgment against you or your spouse by.... (County Circuit or Federal District) Court on the.... day of...., 19.. That judgment not having been fully paid, the creditor has now filed a garnishment proceeding against your earnings from the garnishee. This means that the creditor is seeking to take some of your earnings to satisfy part or all of the judgment against you or your spouse.

The total amount of the creditor’s claim is as follows:

- Unpaid balance on judgment $....
- Unpaid postjudgment interest $....
- Costs:
  - a. Garnishment filing fee $....
  - b. Garnishee fee $....
  - c. Service of process (estimate) $....
- TOTAL $....

By law, you are entitled to an exemption of not less than 80% of your disposable earnings. Your “disposable earnings” are those remaining after social security and federal and state income taxes are withheld.

Your earnings are completely exempt from garnishment if:

1. Your household income is below the federal poverty level, or this garnishment would cause that to happen. See the enclosed schedules and worksheet to determine if you qualify for this exemption.

2. You receive aid to families with dependent children, general relief funded by a relief block grant under ch. 49, relief to needy Indian persons provided by counties under section 59.07 (154) of the Wisconsin Statutes, medical assistance, supplemental security income, food stamps, or veterans benefits based on need under USC 501 to 562 or section 45.351 (1) of the Wisconsin Statutes, or have received these benefits within the past 6 months.

3. At least 25% of your disposable earnings are assigned by court order for support.

If you qualify for a complete exemption, you must give or mail a copy of the enclosed debtor’s answer form to the garnishee in order to receive that increased exemption.
1995 Assembly Bill 150

If your circumstances change while the garnishment is in effect, you may file a new answer at any time.

If you do not qualify for a complete exemption, but you will not be able to acquire the necessities of life for yourself and your dependents if your earnings are reduced by this earnings garnishment, you may ask the court in which this earnings garnishment was filed to increase your exemption or grant you other relief.

IF YOU NEED ASSISTANCE
CONSULT AN ATTORNEY

If you have earnings that are being garnisheed that are exempt or subject to a defense, the sooner you file your answer or seek relief from the court, the sooner such relief can be provided. This earnings garnishment affects your earnings in pay periods beginning within 13 weeks after it was served on the garnishee. You may agree in writing with the creditor to extend it for additional 13-week periods until the debt is paid.

PENALTIES

If you wrongly claim an exemption or defense in bad faith, or if the creditor wrongly objects to your claim in bad faith, the court may order the person who acted in bad faith to pay court costs, actual damages and reasonable attorney fees.
