RE: Additional Contract Beds in Texas

On December 12, 1996 the Department of Corrections wrote to the Co-Chairs of the Joint Committee on Finance requesting a 14 day passive review to add two counties to the Texas County Jail Bed contract.

As I indicated in my memo of December 12th, election results raised concerns about whether the beds in Hood County will continue to be available. The contract sent to you had a technical error, in that on the first page, under "Agreement Administrators", Rodney Jeanis was identified as Sheriff of Hood County. We see this as a technical change to remove the title Sheriff and Hood County from this section. In addition, the title of the agreement has been changed from Hood County, Texas to Texas County Jails.

I have enclosed a new copy of the cover page of the agreement for your review. If additional information is needed, please let me know. Thank you for your consideration.

State of Wisconsin Department of Corrections

December 12, 1996

To: The Honorable Brian Burke, Co-Chair
Joint Committee on Finance

The Honorable Ben Brancel Co-Chair
Joint Committee on Finance

From: Michael J. Sullivan, Secretary
Department of Corrections

Subject: Additional Contract Beds in Texas

The Department of Corrections has identified two additional counties in Texas, Red River and Titus, that are willing to provide beds to Wisconsin inmates. The Department requests that the Joint Committee on Finance approve the addition of these two counties.

On September 26, 1996, the Joint Committee on Finance approved the agreement with the Texas counties of Hood, Johnson, Palo Pinto and Comanche and the Department of Corrections which would provide up to 700 beds for Wisconsin inmates in Texas county jails between October 15, 1996, and June 30, 1997. The committee further allowed the Department to submit additional names of counties for a 14 day passive review.

The original expectation was that the Department would be able to contract for 350 beds in the four counties and additional beds would be located in other counties. Due to election results, there is some concern about whether the beds in Hood County will be available. In addition, Johnson County is presently making some on-site updates. It appears that the beds in that county will not be available until February.

There are currently 119 Wisconsin inmates in Texas contract beds. Of these, 35 are in Hood County, 60 in Palo Pinto County and 24 in Comanche County. Until issues with Hood County have been resolved and Johnson County has approval from the Commission on Texas Jail Standards for their updates, additional inmates cannot be transferred to Texas.

The two new counties, Red River and Titus, can provide up to 150 beds. Inmates have already been identified and can be transported as soon as these additional counties have been approved.

The names of Red River and Titus Counties have been added to the agreement approved by the Committee. No other changes have been made. A copy of the agreement is attached.

If you need additional information, please let me know. Thank you.

3. Right of Inspection

The Department shall have the right to inspect the County Jails at all reasonable times in order to determine that appropriate standards of care and discipline are being met.

4. Vacancies

The Counties hereby agree to make available to the Department up to 700 beds for inmates. Transfer of inmates from the Department to the Counties will be dependent on bed space available at the County Jails.

5. Selection

The Department will provide inmates for placement according to mutually agreed upon criteria as specified in Attachment 1.

The Counties expressly maintain the right to reject any inmate brought to the County Jails by the Department if said inmate exhibits medical or behavior problems of such a nature, as determined by the County Sheriff or his or her duly authorized representative, as to make said inmate unacceptable.

The Department may retake any inmate at any time and replace or not replace such inmate with another.

The Counties will conduct an inventory of each inmate's personal property when the inmate is received. Unauthorized or excess property will be properly stored at the County Jail or disposed of consistent with the jail rules and at the inmate's expense.

6. Responsibility for the Custody of Offenders

It shall be the responsibility of the Counties to confine inmates from the Department in appropriate penal surroundings, consistent with the requirements of federal and applicable state laws, and regulations governing the operations of county jails. But nothing herein contained shall be construed to require the Counties to provide additional treatment, facilities or programs for any inmate confined pursuant to this agreement which it does not provide for similar inmates not confined pursuant to said agreement.

7. Medical Services

(A) Inmates from the Department shall receive such medical, optometric, psychiatric and dental diagnosis and treatment as may be necessary to safeguard their physical and mental health and comply with the requirements of federal and Wisconsin/Texas state laws. The medical, optometric, psychiatric and dental diagnosis and treatment received by inmates from the Department shall not be less than that which is provided by the Counties to other inmates of the County Jails. Except in the case of an emergency, the Counties shall contact the designated coordinator, identified in Attachment 1, for prior written approval for the medical, psychiatric, or dental expenses for which the Department is responsible under the terms of this contract.

In an emergency, the Counties may proceed with the necessary treatment without prior approval, but in every case the Counties shall notify the designated coordinator as soon as practicable thereafter and furnish full information regarding the nature of the illness or injury, the type of treatment provided or to be provided, and the estimated cost thereof to be borne by the Department. If the emergency requires extended hospitalization and 24 hour security coverage and the inmate's condition prohibits transportation to a Department provider, the costs of the required security coverage will be the responsibility of the Department. The Counties shall secure approval to incur charges and submit bills for such services to the Department in accordance with procedures set forth in Attachment 1.

- (B) The Counties shall make every reasonable effort to utilize only those medical services providers which provide appropriate health care services at a reasonable cost.
- (C) When medical, psychiatric or dental care requires the removal of the inmate from the jail for forty-eight (48) hours or longer, the inmate shall be removed only after notification to the Department. The Counties shall notify the Department in accordance with procedures set forth in Attachment 1. In the event of an emergency which does not permit prior notification, the Counties shall notify the Department as promptly thereafter as practicable.
- (D) All necessary precautions shall be taken to assure the safekeeping of the inmate while absent from the normal place of confinement. Necessary custodial supervision shall be provided by the Counties.
- (E) Any costs of medical, optometric, psychiatric or dental care equipment, medication, supplies, diagnostics, and services shall be considered normal costs incidental to the operation of the County Jails and shall be paid by the Counties, if the service is provided by the jail as part of the health or correctional program thereof and if the inmate requires no special medication, drugs, equipment, anesthetics, surgery, or nursing care in addition to that commonly provided by the jail. The cost of any special service, medication, equipment or nursing care not commonly provided by the jail and approved by the Department shall be chargeable to the Department. The Counties shall secure approval and submit bills for nursing and other special services to the Department in accordance with procedures contained in Attachment 1.
- (F) If an inmate's behavior indicates a possible need for mental health treatment, the Department shall be notified of the situation. If it is determined that the inmate requires mental health treatment that is not available in the Counties the Department shall transfer the prisoner to one of its own facilities.

In event of a mental health related emergency, the Department shall transfer the inmate as soon as practicable.

- (G) Dental services for which the Department is responsible for payment shall not exceed services necessary for the relief of continuous pain or acute infection.

(H) Pharmaceuticals not normally provided by the jail shall be provided per the County's contract on pharmaceuticals and billed to the Department on a quarterly basis.

(I) Copies of health care records or health care related records shall be provided to the Department upon request. Summaries of health care or certified copies of Department medical records for each Department inmate in the County jails shall be provided to the Counties health care provider. The summaries or copies of records remain the property of the Department and may not be altered in any way. When an inmate is removed from the jail by the Department, escapes or is discharged or released by the Department, the summary or any record shall be returned to the Department. The Counties shall not make copies of the summary or any record except as needed for the delivery of health care services.

8. Inmate Services

(A) Participation of the Department's inmates in services available to other jail inmates shall be subject to the regular discipline imposed upon jail inmates participating in the particular service. However, nothing contained herein shall be construed to permit or require any inmate of the Department to participate in any training, industrial or other work programs contrary to the rules of the Department.

9. Discipline

The Counties shall have physical control over and power to exercise disciplinary authority over all inmates from the Department. However, nothing contained herein shall be construed to authorize or permit the imposition of a type of punishment prohibited by the rules of the Department, or by other provisions of law. The Counties shall provide the necessary records, written documentation, and presentation of the facts regarding specific inmate behaviors that are subject to the program review processes of the Department.

10. Laws and Regulations for Inmate Conduct

Inmates, while in the custody of the Counties, shall be subject to all the provisions of law and regulations applicable to persons sentenced for violations of law to the County Jails not inconsistent with the sentence imposed. In circumstances where an inmate has engaged in conduct that could result in discipline under the Department's Administrative Code, and the Counties desire removal of the inmate, the Department may discipline the inmate under its rules.

11. Records and Reports from the County Sheriff

(A) At such intervals as requested, the Hood County Sheriff shall furnish the Department a report giving a summary of the inmate's adjustment since the last requested report, including a recommendation for retention or return. All such reports shall be forwarded to the Department.

- B) The Counties will notify by telephone the designated contact person identified in Attachment 1 of any incident involving Department inmates relating to an inmate's death, serious illness or injury requiring hospitalization, escape (including attempt), attempted suicide, and assault on staff or other inmate within 24 hours of the occurrence. When the County's investigation/fact finding report is completed, a copy shall be forwarded to the designated contact person identified in Attachment 1.
- (C) The Sheriff shall keep all necessary and pertinent records concerning such inmates in a manner agreed between the Contract Administrators. During the inmate's confinement at the County Jails, the Department shall be furnished with copies of any such record or records upon request. Except 7(i), page 3, nothing herein contained shall be construed to prevent the Counties from keeping copies of any such record or records upon and after termination of confinement.

12. Removal from Institution

An inmate from the Department confined in the County Jails shall not be removed or furloughed therefrom by any person without an order from the Department. The Department will reimburse costs incurred by the Counties for transportation and/or security supervision related to approved removal of an inmate if the Department is unable to provide transportation and security supervision. This provision shall not apply to removal of the inmate for medical, dental, psychiatric treatment, discipline, or for a catastrophe or condition presenting imminent danger to the safety of the inmate or movement between facilities. In the case of any removal for such causes, the Counties shall inform the Department of the whereabouts of the inmate or inmates so removed at the earliest practicable time and shall exercise all reasonable care for the safekeeping and custody of such inmate or inmates.

13. Hearings

The County Jails shall provide adequate facilities for any hearing by authorities of the Department, to which an inmate may be entitled by the rules of the Department.

14. Inter-Institutional Transfer

Notwithstanding any provisions herein to the contrary, the Counties may transfer an inmate between facilities under this contract with written notification to the Department.

Any custody classification which permits movement outside the confines of the jail shall require prior written approval of the Department.

15. Escape

In case any such inmate shall escape from custody of the County Jail, the County Sheriff will use all reasonable means to recapture the inmate. The escape shall be reported immediately to the Department. The Counties shall have the primary responsibility for and authority to direct the pursuit and retaking and prosecution of inmates within its own territory. Any costs in connection therewith shall be chargeable to and borne by the Counties.

16. Death of an Inmate

- (A) In the event of the death of an inmate from the Department, the medical examiner, coroner, or other official having the duties of such an office in the Counties shall be notified. The Department shall receive copies of any records made for or in connection with such notification.
- (B) The County Sheriff shall immediately notify the Department of the death of an inmate, furnish information as requested, and follow the instructions of the Department with regard to the disposition of the body. The body shall not be released except on order of the Department.
- (C) In the event of the death of an inmate from the Department, the Sheriff shall order an autopsy to be performed. The Sheriff shall submit costs for an autopsy to the Department for reimbursement.
- (D) The County Sheriff shall send a certified copy of the death certificate for any of the Department's inmates who have died while in the County Jail to the Department. A copy of the autopsy report shall be sent to the Department.

17. Expenses Attendant Upon Release

The provision of transportation and any other supplies upon release of an inmate shall be at the expense of the Department and shall be in accordance with its laws and rules.

18. Retaking of Inmates

The Department will be responsible for arranging for the transportation of Department inmates housed in the County Jails to Department facilities. The inmate's personal property will be inventoried before transit and Department files associated with the inmate will be delivered to the transportation officer at the time of the transit.

The Department agrees to review any request by the Counties for the retaking of any particular inmate. It is the intent of the parties that such requests be granted under extraordinary and unusual circumstances.

Within thirty (30) days of receipt of notice of termination of this agreement by either party, the Department shall remove its inmates.

Officers of the Department may with proper advance written or oral notification enter the County Jails and there apprehend and retake any inmate. The Department employees will produce positive employee photo identification issued by the Department and written identification of the person to be retaken. The decision of the Department to retake an inmate shall be conclusive upon and not reviewable by the Counties; provided, however, that if at the time when the Department seeks to retake an inmate there should be pending against the inmate within the County Jail any criminal charge, or the inmate should be suspected of having committed within such status a criminal offense, the inmate shall not be taken without the consent of the County Sheriff until discharged from prosecution or from imprisonment for such offense.

19. Photography and Publicity

Requests for interviews and information regarding Department inmates shall be referred to the Department. However, information of public record, such as sentence data or information concerning the escape of an inmate, may be given directly to the press by the County Sheriff. The County Sheriff may photograph Department inmates as a means of identification for official use only.

The invoice will identify the inmate's name and DOC identification number, date of arrival, date of departure, total days in custody, and total cost. Payment will be made for the day of the inmate's arrival but not the day of the inmate's departure. Payment under this contract will be made only for those inmates approved for transfer to the County Jails from the Department's Office of Offender Classification. The Department of Corrections shall send payment to the county within 30 days of receipt of invoice.

- B) The Counties agree in return for this payment to provide lodging facilities and programs for said inmates. The Counties will provide constant monitoring of the premises at all times that inmates are at the facility. The Counties will provide three (3) meals per day at normal meal times. The meals will be nutritious, given in the morning, afternoon and evening. At least two (2) of these meals will be hot meals. The Counties will also provide the basic necessities to the Department's inmates including but not limited to beds, clean bedding, personal hygiene items, toilet facilities, recreation facilities as may be available, canteen facilities, visiting facilities, library/law library and other program services that may be available.

Department inmates shall also have access to all volunteer programs/activities and chaplaincy directed programs, crisis intervention and social services treatment available to other inmates in the County Jail.

- (C) The Counties will provide the necessary program space required to conduct any supplemental treatment programs arranged by the Department.
- (D) The Counties will provide all Department inmates an institution account and institutions needs pay of \$3.20 per week (5 days at \$.64/day) when in general population status.

21. Responsibility for Legal Proceedings

- (A) The Department will undertake to defend any action or proceeding involving the legality of revocations or sentence computations of any of its inmates or the placement or removal of inmates in the County Jails. The Counties shall be reimbursed for any expense it may incur in connection therewith.
- (B) The Counties agree to defend at its expense any action or proceeding arising out of confinement in the County Jails which involves conditions of confinement or action of County employees.
