Re: 14 Day Passive Review of Volunteer Health Care Provider Program Applications

Attached is a copy of a request from Secretary Mark Bugher, which we received on June 11, 1997, regarding approval of additional applications under the Volunteer Health Care Provider Program, authorized under s. 146.89, Stats. At its March 27, 1997, meeting under s. 13.10, Stats., the Joint Committee on Finance approved the joint application of St. Clare Health Mission of Sparta, and eleven medical professionals for participation in the program. At that meeting, the Committee also established that additional medical professionals who volunteer their services in joint application with St. Clare Health Mission of Sparta are eligible for approval to participate in that program subject to a 14-day passive review process.

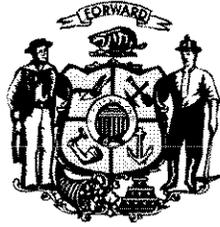

The attached request seeks approval of three additional applications from medical professionals wishing to provide volunteer services through St. Clare Health Mission of Sparta. Please contact **Senator Burke** or **Representative Jensen** no later than **Friday, June 27, 1997**, if you have any questions about this request or if you would like the Committee to meet formally to review it.

Also, please contact us if you need further information.

Subject: Request for Approval of Applications Under the Volunteer Health Care

During the March, 1997 s. 13.10 meeting, the Joint Committee on Finance approved the joint application of St. Clare Health Mission of Sparta, a Monroe County non-profit agency, and 11 medical professionals for participation under the Volunteer Health Care Provider Program as authorized under s. 146.89 of the Wisconsin Statutes. The Committee further stipulated that any additional medical professionals volunteering services through that agency be eligible for approval under a 14 day passive review process. Ten (10) applications subsequently have been approved under this process.

The department has received three (3) additional applications from medical professionals wishing to provide volunteer services through St. Clare Health Mission of Sparta. These applications have been reviewed and approved by the Department of Regulation and Licensing - Medical Examining Board as provided under s. 146.89(2). Consequently, the department requests approval of the following medical professionals for participation in the Volunteer Health care Provider Program:
