Petition to Members of the Joint Committee on Finance Opposing A Cigarette Tax Increase

We, the undersigned appreciate this opportunity to communicate with you about an issue that directly affects our pocketbooks — the proposal to increase state cigarette taxes.

In a year when there is no budget crisis in our state, we do not understand why our representatives in the State Legislature would impose such a punitive tax on just one segment of the population — a tax that affects smokers so directly.

On behalf of all smokers in our area, I would appreciate your voting against any increase in cigarette taxes.

Since I must be on the job during daytime hours, I am unable to attend the special legislative hearings on the budget. I appreciate you having these regional hearings and hope you will accept this petition on behalf of people who will be directly affected by your actions.

Sincerely.

We, the undersigned appreciate this opportunity to communicate with you about an issue that directly affects our pocketbooks — the proposal to increase state cigarette taxes.

In a year when there is no budget crisis in our state, we do not understand why our representatives in the State Legislature would impose such a punitive tax on just one segment of the population — a tax that affects smokers so directly.

On behalf of all smokers in our area, I would appreciate your voting against any increase in cigarette taxes.

Since I must be on the job during daytime hours, I am unable to attend the special legislative hearings on the budget. I appreciate you having these regional hearings and hope you will accept this petition on behalf of people who will be directly affected by your actions.

Sincerely.
