The Honorable Brian B. Burke
Wisconsin State Senate
P.O. Box 7882
Madison, WI 53707-7882

Dear Senator Burke:

Thank you for your letter regarding Medicaid rate increases for ambulance providers.

You asked what it would cost to increase ambulance rates by 3% or 5% in each year of the biennium. A 3% increase would cost $178,265 (GPR), $434,793 (All Funds) for the 1997-99 biennium. A 5% increase would cost $300,036 (GPR), $731,794 (All Funds) for the 1997-99 biennium.

Your observation that ambulance providers in Milwaukee provide services to a higher percentage of Medicaid recipients compared to other geographic areas of comparable size may be correct. Current Medicaid reimbursement policy provides for higher base and mileage rates to ambulance providers in metropolitan areas, with the highest rates going to Milwaukee county providers. Milwaukee ambulance providers currently receive 43% higher base rates and 81% higher mileage rates than ambulance providers in non-metropolitan areas.

We are unable to provide you with a list of ambulance providers who submit Medicaid claims for services in Health Professional Shortage Areas (HPSAs). This is because ambulance claims do not indicate the location where services were provided.

As part of the 1997-99 budget deliberations, the Department is reviewing reimbursement rates for all services, including ambulance. It is important to note, however, that our Department is expected to submit its budget consistent with tight spending targets.

Thank you, again, for your letter.

Sincerely,

Joe Leean

Brian — I have received the memo of January 9th. Nowhere did this memo give options to the Committee. I still believe we could make hay on this issue, but what do I know, since I am not in the loop.

TO: Senator Brian Burke, Senate Chair
Representative Scott Jensen, Assembly Chair
Joint Committee on Finance

FROM: Bob Lang, Director
Legislative Fiscal Bureau

SUBJECT: Gubernatorial Vetoes Under s. 13.10 of the Statutes

In response to your inquiry, I am providing information describing: (1) the Governor's veto authority over Joint Committee on Finance actions adopted pursuant to the Committee's s. 13.10 approval authority; and (2) the statutory process which is available to the Committee to respond to a gubernatorial veto.

Actions of the Committee under its s. 13.10 authority may be approved in whole or in part by the Governor. If the Governor objects to a portion of the Committee's action, he is then required to inform the Committee of his action and to return that item to the Committee for its reconsideration. The Co-chairs of the Committee are then required to call a meeting or to conduct a mail ballot within 15 working days after the receipt of the Governor's veto message. If an absolute two-thirds (11) of the 16 Committee members (rather than two-thirds of the Committee members present and voting) vote to sustain the Committee's original action, the Governor's veto is overridden. The specific language which governs this situation is found under s. 13.10(4) of the statutes.

On December 16, 1996, the Committee met under s. 13.10 to consider a number of state agency requests. Among the items approved by the Committee was the following:

- To complete the initial implementation of the District Attorney network, the following supplemental PR funding was provided in 1996-97 to the Department of Administration's justice information systems appropriation: (1) $24,000 PR for personal computer inventory; (2) $43,200 PR for printers; (3) $106,500 PR for user training; (4) $31,400 PR for circuit court automation program support costs; (5) $100,000 PR for a study of integrated justice information systems; and (6) $83,200 PR for a study of a case

management system for District Attorneys and the State Public Defender. In conjunction with these funding supplementations, the Committee also acted to reduce funding in the Department of Administration's Division of Buildings and Police Services appropriation by $71,100 PR in 1996-97 and delete 3.0 PR positions [Agenda Item XII].

The final minutes of the Committee's meeting were prepared and signed by the Committee's Secretary on December 20, 1996. On that same day, they were signed by the presiding Co-chair of the Committee and were forwarded to the Governor for his approval. On January 9, 1997, Governor Thompson signed the minutes, approving the Committee's actions, but in so doing, vetoed those actions of the Committee which reduced funding in the Department of Administration's Division of Buildings and Police Services by $71,100 PR in 1996-97 and which deleted 3.0 PR positions. The Governor's objections were received by the Committee on January 10, 1997.

As Co-Chairs of the Joint Committee on Finance, you are now required either to call a meeting of the Committee or to conduct a mail ballot of its members by February 3, 1997, in order to address the Governor's vetoes.

Attached to this memorandum is a copy of the Governor's veto message, those portions of the minutes which were vetoed, and the signature page of the minutes of the December 16, 1996, meeting.

The Honorable Brian Burke, Co-Chair
The Honorable Ben Brancel, Co-Chair
Members, Joint Committee on Finance
119 Martin Luther King, Jr. Blvd.
P.O. Box 7882
Madison, WI 53707-7882

Dear Senator Burke, Representative Brancel and Members:

Attached are the signed minutes of the December 16, 1996 sec. 13.10, Stats., meeting.

Pursuant to sec. 13.10(4), Stats., I am objecting to the Committee's action under Item XII of the minutes.

Regarding Item XII, the Joint Committee on Finance provided supplemental PR funding in 1996-97, to complete the initial implementation of the District Attorney network, of (a) $24,400 PR for personal computer inventory; (b) $43,200 PR for printers; (c) $106,500 PR for user training; and (d) $31,400 PR for circuit court automation program (CCAP) support costs. In addition, the Committee provided the Bureau of Justice Information Systems (BJIS) supplemental funding in 1996-97 of: (a) $100,000 PR for a study of integrated justice information systems; and (b) $83,200 PR for a study of a case management system for the District Attorneys and the State Public Defender. Finally, the Committee reduced funding in the Department of Administration's (DOA) Division of Buildings and Police Services by $71,700 PR in 1997-97 and deleted 3.0 PR positions. The DOA's request included 3.0 PR positions for BJIS operations, which were in effect a transfer from DOA's Division of Buildings and Police Services of $71,700 PR in 1996-97 and 3.0 PR positions. Since the Committee did not approve the 3.0 PR positions for BJIS, I am objecting to the deletion of the 3.0 PR positions in DOA's Division of Buildings and Police Services. Therefore, I am vetoing the last line of the minutes under item XII which will have the effect of leaving the 3.0 PR positions and funding within the DOA base until the issue can be further addressed in the 1997-99 biennial budget process.

Sincerely,

TOMMY G. THOMPSON

JOINT COMMITTEE ON FINANCE

January 27, 1997

TO: Members
Joint Committee on Finance

FROM: Representative Scott Jensen, Assembly Chair
Senator Brian Burke, Senate Chair

SUBJECT Mail Ballot Addressing Gubernatorial Partial Veto of Action Taken at the Committee's December 16, 1996, Meeting Under s. 13.10

On December 16, 1996, the Joint Committee on Finance met under s. 13.10 to consider a number of state agency requests for action by the Committee.

Agenda Item XII was a s. 16.505/515 request from the Department of Administration for increased funding of $680,500 PR and 3.0 PR positions for DOA's Bureau of Justice Information Systems (BJIS). The request also included a reduction in DOA's facilities operations and maintenance appropriation by $71,700 PR and 3.0 PR positions in 1996-97. The requested increase consisted of two parts: (1) $303,500 PR for additional costs associated with the District Attorney network project; and (2) $377,000 PR and 3.0 PR positions for BJIS operations and the hiring of consultants. While DOA was requesting an additional $377,000 PR and 3.0 PR positions for BJIS in 1996-97, the total position authorization for DOA, however, would not be increased since the request included the deletion of 3.0 vacant positions in DOA's Division of Buildings and Police Services (DBPS), along with the reduction of $71,700 PR in DBPS' appropriation associated with the deleted positions. The three vacant positions were a security officer, a laborer and a gardener. These deleted vacant positions would offset the requested increase of two information technology management consultant positions and one program and planning analyst.

On December 16, 1996, the Committee approved the following relative to Agenda Item XII:

• To complete the initial implementation of the District Attorney network, the following supplemental PR funding was provided in 1996-97 to the Department of Administration's justice information systems appropriation: (1) $24,000 PR for personal computer inventory; (2) $43,200 PR for printers; (3) $106,500 PR for user training; and (4) $31,400 PR for circuit court automation program support costs. In addition, the Committee approved the following supplemental funding for BJIS operations: (1) $100,000 PR for a study of integrated justice information systems; and (2) $83,200 PR for a study of a case management system for District Attorneys and the State Public Defender. In conjunction with these funding supplementations, the Committee also acted to reduce funding in the Department of Administration's Division of Buildings and Police Services appropriation by $71,100 PR in 1996-97 and to delete the 3.0 PR vacant positions.

On January 9, 1997, Governor Thompson signed the minutes of the December 16, 1996, meeting approving the Committee's actions. However, in so doing, the Governor vetoed those actions of the Committee related to Agenda Item XII which reduced funding in the Department of Administration's Division of Buildings and Police Services by $71,100 PR in 1996-97 and which deleted 3.0 PR positions. The Governor's objections were received by the Committee on January 10, 1997.

Attached to this memorandum is a copy of the Governor's veto message, that portion of the minutes which was vetoed, and the signature page of the minutes of the December 16, 1996, meeting.

Pursuant to s. 13.10(4) of the statutes, we are conducting a mail ballot of the Committee to determine if the Committee's December 16, 1996, actions on this item should be upheld, notwithstanding the Governor's partial veto.

Please indicate your vote on the question set forth on the accompanying ballot and return it to Representative Jensen's or Senator Burke's office by 4:00 p.m. on Thursday, January 30, 1997.

The Honorable Ben Brancel, Co-Chair
Members, Joint Committee on Finance

Dear Senator Burke, Representative Brancel and Members:

Attached are the signed minutes of the December 16, 1996 sec. 13.10, Stats., meeting.

Pursuant to sec. 13.10(4), Stats., I am objecting to the Committee's action under Item XII of the minutes.

Regarding Item XII, the Joint Committee on Finance provided supplemental PR funding in 1996-97, to complete the initial implementation of the District Attorney network, of (a) $24,400 PR for personal computer inventory; (b) $43,200 PR for printers; (c) $106,500 PR for user training; and (d) $31,400 PR for circuit court automation program (CCAP) support costs. In addition, the Committee provided the Bureau of Justice Information Systems (BJIS) supplemental funding in 1996-97 of: (a) $100,000 PR for a study of integrated justice information systems; and (b) $83,200 PR for a study of a case management system for the District Attorneys and the State Public Defender. Finally, the Committee reduced funding in the Department of Administration's (DOA) Division of Buildings and Police Services by $71,700 PR in 1997-97 and deleted 3.0 PR positions. The DOA's request included 3.0 PR positions for BJIS operations, which were in effect a transfer from DOA's Division of Buildings and Police Services of $71,700 PR in 1996-97 and 3.0 PR positions. Since the Committee did not approve the 3.0 PR positions for BJIS, I am objecting to the deletion of the 3.0 PR positions in DOA's Division of Buildings and Police Services. Therefore, I am vetoing the last line of the minutes under item XII which will have the effect of leaving the 3.0 PR positions and funding within the DOA base until the issue can be further addressed in the 1997-99 biennial budget process.

Sincerely,

TOMMY G. THOMPSON
Governor
