Dear Senator Darling:

I received a telephone call this afternoon from the Governor's Appointments Office requesting me to be in Madison tomorrow for a hearing before your committee on my appointment to the position of Member of the Board of Curators of the State Historical Society.

I would like to be there tomorrow, but due to scheduling conflicts, I am unable to come to Madison.

Having the opportunity to serve on the Board of Curators is of great interest to me. The preservation and collection of Wisconsin historical artifacts and the conservation of historical sites will benefit the generations to come.

Eight or ten years ago I served on the "Friends" Board of the State Historical Society and had an opportunity to see the good work the Society has done and am anxious to be involved again.

Our family history in Wisconsin dates back to 1839 when my husband's ancestors settled in Milwaukee and Ozaukee counties. He and I have both been involved in the historical societies in both of the counties for a number of years and have enjoyed the learning experience and the opportunity to help preserve the historical structures and collections.

Thank you for your consideration of my appointment. I look forward to this new task with anticipation.

Sincerely,

Mary F. Buestrin
