Budget Recommendation

Paper Ballot

P. 269, Item 17

Governor: Decrease MA benefits funding by \$5,133,000 to reflect projected cost savings of creating a copayment for specialized motor vehicle services and freestanding ambulatory surgery services, and increasing MA copayments for services currently subject to copayments to the maximum amount allowed under federal law.

Senators Moen and Moore: Creating a copayment for specialized motor vehicle services and increasing copayments for other MA services will impose a hardship on low income individuals and persons with disabilities who need frequent medical services.

Motion: Maintain current law.
