

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0104/1dn
PEN:kmg:km

February 23, 1999

This draft does not define "emergency purposes". That phrase will be defined by DOT by rule and by the courts.

This amendment completely exempts a licensee from the restrictions under proposed s. 343.085 (2m) (a). That is, a licensee may, in an emergency, drive at night with children in the car. OK?
