~~PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION~~

1 AN ACT ...; relating to: publicizing the names of persons who illegally dump
2 trash.

Analysis by the Legislative Reference Bureau

Under current law, cities, villages, towns and counties may enact zoning ordinances that regulate the areas within which the dumping of trash may be prohibited or restricted. Cities and villages may enact such ordinances and may publicize the names of persons who violate such ordinances under their home rule authority. Towns and counties may enact such ordinances under a specific statutory authorization.

Town ordinances are limited by statute, however, to areas in or along streams and natural watercourses. County ordinances may apply to other areas as well as along streams and watercourses and authorizes towns and counties to publicize the names of persons who violate such ordinances.

This bill broadens the areas within which town ordinances apply. Under this bill, a town or a county may enact and enforce an ordinance, and provide a forfeiture for a violation of the ordinance, that regulates illegal trash dumping. Also under the bill, a town or a county may publicize the names of persons who violate such ordinances.
