1999 BILL

Regen

1 AN ACT to create 939.32 (1) (f) and 944.25 of the statutes; relating to: looking
2 into a building for sexual purposes and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, there are various crimes involving sexually related activity, such as prohibitions against a person exposing his or her genitals in public or committing a sex act in public. In addition, under current law, with certain exceptions, a person is prohibited from doing any of the following: 1) making a visual representation (including a photograph, motion picture or videotape) that depicts nudity without the knowledge and consent of the person who is depicted nude; or 2) possessing or distributing a visual representation that depicts nudity if the person knows or has reason to know that the visual representation was made without the knowledge and consent of the person who is depicted nude.

Finally, current law prohibits a person from knowingly installing a surveillance device in any private place, or from knowingly using a surveillance device installed in a private place, with the intent to observe any nude or partially nude person without the consent of the person observed.

This bill prohibits a person from going or remaining on the property of another, without consent, and looking into a building at another. The prohibition applies only if the person is acting for purposes of sexual gratification or arousal. Upon conviction, a violator may be fined not more than \$10,000 or imprisoned for not more

1. **JACKET** the draft for introduction Peter Bock  
in the **Senate** \_\_\_\_\_ or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT**. See the changes indicated or attached \_\_\_\_\_.  
A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_.  
If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
