

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2110/1dn
RCT:cmh:km

March 5, 1999

Pam, Don and Kendra:

This is the redraft of the PECFA draft. Please review it carefully, particularly proposed s. 101.143 (3) (cp) and the treatment of s. 101.143 (4) (cm). These provisions differ somewhat from what we discussed on March 3rd, based on instructions I received from Don. Note that proposed s. 101.143 (3) (cp) 3. and 4. are based on s. 101.144 (3) (a) and (c).

Please also consider whether current s. 101.143 (4) (ce) should be modified in light of proposed s. 101.143 (3) (cp).

As always, if you have questions, please do not hesitate to contact me.
