ASSEMBLY BILL 701

1 12.13 (2) (b) 8. and 12.13 (3) (zm) and (zn) of the statutes; **relating to:** various
2 changes in the election laws; granting rule-making authority; and providing
3 penalties.

Analysis by the Legislative Reference Bureau

This bill makes various changes in election laws. Significant provisions include:

I. REGISTRATION AND VOTER PARTICIPATION

Confidential listings on poll and registration lists

Currently, the names and addresses of all electors who vote, and in municipalities where registration is required, the names of electors who register to vote, are publicly accessible. Electors must orally disclose their names and addresses at polling places, which are recorded on poll and registration lists. Polling place observers may inspect the lists of names and addresses of registered and actual voters.

This bill permits certain electors to vote or register to vote confidentially. To be eligible for a confidential listing, an elector must have been granted by a court a protective order that is currently in effect restraining another person from having or causing contact with the elector for reasons relating to domestic abuse; the elector must reside in an organized shelter for persons whose personal security is or may be threatened by other persons with whom the residents have had contact; or the elector must present the affidavit of a sheriff or chief of a police department verifying that a person has been charged with or convicted of an offense relating to domestic abuse in which the elector was a victim and that the elector reasonably continues to be threatened by that person. Under the bill, an “offense relating to domestic abuse” includes sexual assault, battery, stalking, harassment or sexual exploitation. A confidential listing expires when a protective order expires, when an individual ceases to be a resident of a shelter, when the sheriff or chief of a police department who signed an affidavit notifies a municipal clerk that a judgment in a domestic abuse case has been vacated or that a domestic abuse charge has been dropped, or upon expiration of the two-year period following creation of the listing, whichever first occurs. A listing may be renewed in the same manner as provided for creation of an original listing.

Under the bill, a municipal clerk must still provide access to a confidential name and address to a law enforcement officer for official purposes; to a state or local governmental officer pursuant to a specific law that necessitates obtaining the name or address; pursuant to a court order citing a reason that access to a name or address should be provided; to a clerk of circuit court for purposes of jury selection; or at the request of the protected elector for the purpose of permitting the elector to qualify as a signer on certain petitions.

ASSEMBLY BILL 701

The bill directs municipal clerks to issue to each elector who is entitled to a confidential listing an identification card containing a unique number issued by the elections board, which may be presented to election inspectors (poll workers) in lieu of providing a name and address. Alternatively, the bill permits an elector where registration is required to give his or her name and identification card number in lieu of an address.

Currently, voters may register at polling places, high schools and various other locations. Under this bill, an elector who wishes to obtain a confidential listing must register at the office of the clerk of the municipality where the elector resides.

The bill provides that polling place observers may not view the name or address of any elector who is entitled to be listed on a poll or registration list confidentially. However, the inspectors must disclose to any observer, upon request, the existence of any confidential list of electors, the number of electors whose names appear on the list and the number of those electors who have voted at any point in the proceedings.

The bill prohibits election officials and other persons who are provided confidential information relating to the names and addresses of electors from disclosing that information to other persons who are not authorized to obtain that information. The bill also prohibits an individual from providing false information to a municipal clerk for the purpose of obtaining a confidential listing on a poll or registration list. Violators are guilty of a misdemeanor and are subject to a fine of not more than \$1,000 or imprisonment for not more than six months, or both, for each offense.

II. ELECTIONS ADMINISTRATION***Fees for recounts***

Under current law, a petitioner requesting a recount of an election generally must pay a fee of \$5 for each ward for which a recount is requested and \$5 for each municipality where no wards exist. However, current law does not require a fee if the difference between the leading candidate and the petitioner or the affirmative and negative vote on a referendum was less than ten votes, if 1,000 or less votes were cast, or less than 0.5% of the total votes cast, if greater than 1,000 votes were cast. A petitioner must pay any fee in full at the time he or she files the petition.

This bill retains the current fees and the current exemptions for any election where 1,000 or less votes are cast and retains the current exemption for any election where greater than 1,000 votes are cast and the difference in votes cast between the leading candidate and the petitioner or the affirmative and negative vote on a referendum is 0.5% or less. However, the bill changes the fees for other elections where greater than 1,000 votes are cast. Under the bill, if greater than 1,000 votes are cast in the election and the difference in votes is more than 0.5% but not more than 2% of the total votes cast, the fee under this bill is \$5 per ward and \$5 per municipality where no wards exist. If greater than 1,000 votes are cast and the difference in votes is more than 2% of the total votes cast, the fee under this bill is the actual cost of performing the recount. In addition, the bill requires a petitioner

ASSEMBLY BILL 701

to pay a reasonable estimate of any applicable fee at the time of filing and any balance within 30 days after the filing officer notifies the petitioner of the amount due.

Composition of certain municipal boards of canvassers

Currently, the municipal board of canvassers in each municipality utilizing more than one polling place, except in cities having a population of more than 500,000, is composed of the municipal clerk and two other qualified electors appointed by the clerk. If the clerk's office is vacant, if the clerk cannot perform his or her duties or if the clerk is a candidate at an election being canvassed, the mayor, president or board chairperson of the municipality designates another qualified elector of the municipality to serve in lieu of the clerk.

This bill provides that the municipal board of canvassers in these municipalities is composed of three qualified electors of the municipality, other than the municipal clerk, who shall be appointed by the clerk.

III. CAMPAIGN FINANCING***Disbursement limitations***

Under current law, disbursement (expenditure) levels are specified for candidates for various state and local offices. These levels become a binding limitation upon any candidate for state office who accepts a state grant from the Wisconsin election campaign fund or who agrees to be bound by the limitation, unless the candidate is opposed by a major opponent who could have qualified for a grant but who declines to accept one and declines to file an affidavit of voluntary compliance with disbursement and contribution limitations.

This bill:

1. Revises the current disbursement levels applicable to candidates for the offices shown below as follows:

<i>Office</i>	<i>Current Level</i>	<i>Proposed Level</i>
Governor	\$1,078,200	\$2,500,000
Lieutenant governor	323,475	400,000
Attorney general	539,000	400,000
Supreme court justice	215,625	400,000
Secretary of state	215,625	100,000
State treasurer	215,625	100,000
State superintendent of public instruction	215,625	250,000

ASSEMBLY BILL 701

State senator	34,500, with disbursement not exceeding \$21,575 in either the primary or the election	70,000, with disbursements not exceeding \$43,775 in either the primary or the election
Representative to the assembly	17,250, with disbursements not exceeding \$10,775 for either the primary or the election	35,000, with disbursements not exceeding \$21,850 in either the primary or the election

2. Creates a biennial cost-of-living adjustment that causes the statutory disbursement levels to be adjusted biennially, beginning in 2002, in accordance with a formula tied to the “consumer price index” determined by the U.S. department of labor.

Filing of campaign finance reports

Currently, where a requirement is imposed under the campaign finance law for filing of a report by a specified date, the requirement may be satisfied by depositing the report with the U.S. postal service no later than the date provided by law for receipt of the report. This bill permits satisfaction of such a requirement by depositing the report with the U.S. postal service no later than the third day before the date provided by law for receipt of the report.

Registration and reporting by certain federal and nonresident registrants

Currently, a new registrant is generally prohibited from making a contribution or disbursement from property or funds received prior to the date of registration, except that if a registrant has in its possession property or funds at the time of registration that were not intended for political purposes in connection with an election for state or local office at the time they were received, the registrant may report the property or funds as received on the date of registration and may then use the property or funds to make a contribution or disbursement.

This bill permits a nonresident registrant who or which has property or funds in the possession of the registrant on the date of registration from which the registrant wishes to make a contribution or disbursement to use the property or funds to make a contribution or disbursement to the extent permitted under current law if the registrant obtained the property or funds from sources and in amounts that were lawful at the time that the property or funds were received by the registrant. In addition, the bill requires every new nonresident registrant to report any information specified by the board for the year in which the registrant registers and the one-year period preceding that year, plus any additional period required to enable the registrant to make a contribution or disbursement from the property or funds.

ASSEMBLY BILL 701

Currently, with certain exceptions, a registrant who or which is required to register with a filing officer in this state must file regular reports identifying contributions received and disbursements made and providing certain other information. However, a nonresident registrant need report only contributions and other income received from sources in this state and disbursements made and obligations incurred with respect to an election for state or local office in this state. This bill deletes this exception to state reporting requirements.

Contribution limitations

Current law limits the total contributions that a candidate for state or local office may accept from all political committees, including political party and legislative campaign committees, and from the Wisconsin election campaign fund to 65% of the disbursement level specified for the office that the candidate seeks. This bill decreases that limitation to 60% of that disbursement level.

The bill also prohibits any special interest (“political action”) committee from making any contribution or contributions exceeding \$100 cumulatively within a calendar year to any other special interest committee, and similarly prohibits any conduit (intermediary) from transferring any contribution or contributions exceeding \$100 cumulatively within a calendar year to any special interest committee. In addition, the bill prohibits any special interest committee that receives a contribution in violation of this prohibition from making any contribution or disbursement from the property or funds constituting that contribution. Currently, there are no similar limitations.

Acceptance of unlawful contributions

Under current law, a registrant who receives and retains a contribution for more than 15 days must report the contribution as accepted on the date of receipt. This bill provides that a contribution that is received by a registrant is considered to be accepted unless the recipient returns the contribution to the donor within 30 days of receipt.

Currently, in most cases, violations of the campaign finance law are punishable by a forfeiture (civil monetary penalty) not exceeding \$500. This bill provides that if any registrant accepts an unlawful contribution or a contribution in an amount or value exceeding the amount or value of that the donor is permitted to donate to the registrant under the campaign finance law, the registrant is subject to a forfeiture of not more than 125% of the amount or value of the unlawful contribution or portion thereof that is unlawfully contributed.

Contributions by foreign nationals

This bill prohibits any foreign national from making a contribution to any candidate for state or local office in this state or to any individual, committee or group who or which accepts contributions and makes expenditures for the purpose of influencing an election for state or local office or the outcome of a referendum in this state. Under the bill, a “foreign national” means a government of a foreign country, a foreign political party, an entity organized under the laws of and having its

ASSEMBLY BILL 701

principal place of business in a foreign country, or any other individual or entity outside of the United States, except an individual U.S. citizen who is domiciled within the United States or an entity organized under or created by the laws of the United States or any state, territory or possession that has its principal place of business within the United States.

Any person who makes a contribution that is prohibited under the bill is subject to a forfeiture (civil penalty) of treble the amount of the contribution. Any person who intentionally makes a contribution that is prohibited under the bill may be fined not more than \$1,000 or imprisoned for not more than six months, or both, if the contribution does not exceed \$100, and may be fined not more than \$10,000 or imprisoned for not more than three years, or both, if the contribution exceeds \$100.

Currently, there is no such prohibition on foreign national contributions.

Public grants

Under current law, public financing from the Wisconsin election campaign fund is available to finance certain campaign expenses of eligible candidates for the offices of state senator, representative to the assembly, governor, lieutenant governor, attorney general, state treasurer, secretary of state, justice of the supreme court and superintendent of public instruction at a general, spring or special election.

Currently, in order to qualify for a public grant, a candidate must, in addition to other requirements, receive during a specified time period contributions from individuals in amounts of \$100 or less that, together, total a specified amount.

This bill provides that these contributions must be received from individuals who are residents of this state, and that, in the case of a candidate for legislative office, at least 50% of these contributions must be received from individuals who are residents of a county having territory within the district in which the candidate seeks office.

Currently, a candidate for statewide office must receive these qualifying contributions in a total amount at least equivalent to 5% of the authorized disbursement level for the office that the candidate seeks, while a candidate for legislative office must receive these qualifying contributions in a total amount at least equivalent to 10% of the authorized disbursement level for the office that the candidate seeks.

This bill requires a candidate for the office of governor to receive these qualifying contributions in a total amount at least equivalent to 5% of the authorized disbursement level for the office of governor, and requires a candidate for any other state office to receive these contributions in an amount at least equivalent to 10% of the authorized disbursement level for the office that the candidate seeks.

Currently, the maximum grant that a candidate may receive is equal to 45% of the disbursement level specified for the office that the candidate seeks, less an amount equal to any contributions received and accepted from committees other than political party committees, if sufficient moneys are available in the Wisconsin election campaign fund to finance the full amounts of grants for which candidates qualify.

ASSEMBLY BILL 701

This bill increases the maximum grant that a candidate for the office of justice of the supreme court may receive to 50% of the disbursement level specified for that office, and decreases the maximum grant that a candidate for any other state office may receive to 33% of the disbursement level specified for the particular office, subject to adjustment as currently provided.

The bill also disqualifies a candidate from receiving a grant if the candidate or his or her personal campaign committee is not in compliance with all obligations imposed under the public grant law with respect to any grant previously received by the candidate.

Currently, any grant moneys that are not encumbered by a candidate on the day after an election in which the candidate participates revert to the state. In addition, any deposits and refunds derived from grant moneys that are received by a candidate after the date of an election in which the candidate participates revert to the state. This bill provides, instead, that all unencumbered moneys in the campaign depository account of a candidate who receives a grant on the day after an election in which the candidate participates, plus all deposits and refunds received by such a candidate after that date, revert to the state to the extent that the unencumbered moneys, together with the deposits and refunds, do not exceed the amount of the grant received by that candidate.

Biennial review of campaign finance practices

The bill directs the elections board to conduct a biennial review of campaign finance practices in this state. The review must include an assessment of the continued appropriateness of the contribution limitations prescribed by law and any other important problems that require the attention of the legislature. If the board concludes that any contribution limitations should be increased or that any other action should be taken as a result of its review, the board is directed to transmit its conclusions and recommendations to the appropriate standing committees of the legislature, together with any information supporting the board's conclusions.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
