Assumptions Used in Arriving at Fiscal Estimate

This bill creates new crimes (misdemeanors) related to disclosing confidential information from poll or registration lists and providing false information to a municipal clerk for the purpose of obtaining a confidential listing on a poll or registration list. Because this bill creates new crimes, it's likely that the State Public Defender's Office will handle additional cases, thus increasing the agency's costs. Because it is presently unknown how many people would be charged with these new crimes and, of those who are charged, how many would qualify for SPD assistance, the agency cannot estimate the costs at this time.

Long-Range Fiscal Implications

Indeterminate at this time. Agency will monitor fiscal effect of this bill, if enacted, for future budget considerations.
