

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-4084/1dn
RAC:jlg:km

December 16, 1999

This bill draft is identical to 1999 SB-223 except that I incorporated the changes made to 1999 SB-223 by Senate Amendment 1 to 1999 SB-223. That amendment, technical in nature, makes it clear that the program applies to all state employes, not just to represented employes.
