AB 791 would require that the Legislative Fiscal Bureau certify, to the Joint Committee on Finance, by January 31, 2001, the estimated net balances in the state's general fund for fiscal years 1999-00 and 2000-01.								
Jani	iary 31, 2001, the estir	mated net b	alances in the sta	ite's general	fund for i	fiscal years 1999-00 at	na 2000-01.

If these balance estimates are approved by the Joint Committee on Finance and exceed the balances specified								
in the final, general fund summary for the 1999-01 biennium, the amount of any excess would be transferred to the								
budget stabilization fund by June 30, 2001.								
No additional resources would be necessary for the preparation of the estimates or certification required								
under the bill. It is not known what amount of transfer, if any, would be made from the general fund to the budget								
stabilization fund.
