Assumptions Used in Arriving at Fiscal Estimate

Although the Department of Health and Family Services may, under s. 32.02, "acquire by condemnation any real estate and personal property appurtenant thereto or interest therein which they have power to acquire and hold or transfer to the state, for the purposes specified, in case such property cannot be acquired by gift or purchase at an agreed price," this authority is rarely exercised. Therefore, we estimate that AB 855 would have no fiscal effect on DHFS.

We are unaware of local government costs related to this bill.
