20 (a) *Definition.* In this subsection, "private correctional facility" means, along  
21 with the land on which it is situated, a building, structure or facility meeting all of  
22 the following requirements:

23 1. The building, structure or facility has been or is being constructed on the  
24 effective date of this subdivision.

1           2. The building, structure or facility has been or is being constructed for the  
2 confinement of one or more individuals who, as a result of a court order from any  
3 jurisdiction, are in custody for the commission or alleged commission of a crime and  
4 who would be classified as medium or maximum security under the department of  
5 corrections' security classification system.

6           3. The building, structure or facility has not been and is not being constructed  
7 under a contract with the department of administration, a county, a group of counties  
8 acting under section 302.44 of the statutes, the department of corrections and any

11           (b) *Acquisition or lease of private correctional facilities.* The department of  
12 administration shall, no later than the 30th day after the effective date of this  
13 paragraph, commence efforts to negotiate with the owner of each private correctional  
14 facility located in this state to purchase the facility or to lease the facility. If the  
15 department reaches an agreement to purchase or lease the facility, the purchase or  
16 lease is subject to approval of the building commission and the joint committee on  
17 finance. If the department is unable to reach an agreement with the owner, the  
18 building commission may, notwithstanding section 13.48 (16) of the statutes, acquire  
19 the private correctional facility by condemnation under section 32.06 of the statutes,  
20 except that this paragraph constitutes the determination of the necessity of taking  
21 for the purposes of section 32.06 (1) of the statutes. Section 13.48 (19) (b) of the  
22 statutes, as created by this act, does not apply to the lease or acquisition of a private  
23 correctional facility under this paragraph.

24           (c) *Returning prisoners from out-of-state facilities.* The department of  
25 corrections shall use the increase in beds resulting from any lease or acquisition of

1 private correctional facilities under paragraph (b) to reduce its reliance on contracts  
2 for the transfer and confinement of Wisconsin prisoners in other states under section  
3 301.21 of the statutes and to return to correctional facilities in Wisconsin prisoners  
4 who are confined in other states under those contracts.

5 (d) *Inapplicability to juvenile facilities.* This subsection does not apply to a  
6 building, structure or facility that has been or is being constructed solely to confine

7 period authorized under section 227.24 (1) (c) and (2) of the statutes.  
8 Notwithstanding section 227.24 (1) (a), (2) (b) and (3) of the statutes, the department  
9 is not required to provide evidence that promulgating a rule under this subsection  
10 as an emergency rule is necessary for the preservation of the public peace, health,

13           \***b0591/3.73\*** (1m) REPORT ON FAMILY CARE. Notwithstanding section 16.42 (1)  
14 of the statutes, by November 1, 2000, the department of health and family services  
15 shall submit to the governor, as part of the department's 2001–03 biennial budget  
16 request, a report that describes the implementation and outcomes of the pilot  
17 projects under section 46.281 (1) (d) of the statutes, as created by this act, and that  
18 makes recommendations on the family care program under sections 46.2805 to

20           \***b0591/3.73\*** (1n) ALTERNATIVE TO FAMILY CARE.

21           (a) The department of health and family services shall, as soon as possible  
22 before July 1, 2002, seek waivers of federal medical assistance statutes and  
23 regulations from the federal department of health and human services that are  
24 necessary to implement in up to 3 pilot sites a model for the provision of long-term  
25 care that is an alternative to the family care program under sections 46.2805 to

1 46.2895 of the statutes, as created by this act, that would have all of the following  
2 characteristics:

3 1. Medical assistance coverage of services under waiver programs under  
4 sections 46.27 (11), 46.275, 46.277 and 46.278 of the statutes would be expanded to  
5 include selected services specified under section 49.46 (2) (b) of the statutes,  
6 including personal care and home health care.

7 2. Counties in which the pilot sites are located would provide or contract for the  
8 provision of, organize or arrange for long-term care services to eligible persons, but  
9 would not be required to compete with private or nonprofit organizations for  
10 contracts to provide the long-term care.

11 3. Counties in which the pilot sites are located would provide services of a  
12 resource center, as specified under section 46.283 (4) of the statutes, as created by  
13 this act. However, the entity providing the services need not be separate from an  
14 entity that provides, contracts for the provision of, organizes or arranges for  
15 long-term care services under subdivision 2., except that a county may contract for  
16 the provision of functions if necessary to obtain federal waiver approval.

17 4. The cost of the program would not exceed the cost of relevant aspects of the  
18 family care program.

19 5. Pilot sites would be required to reduce average costs per person served in the  
20 areas of the sites under sections 46.27 (11), 46.275, 46.277 and 46.278 of the statutes  
21 for the calendar year preceding implementation of the alternative model, in order to  
22 serve additional persons on waiting lists for the services.

23 6. The department of health and family services would distribute funding to  
24 the pilot sites on a per person per month payment basis using the same methodology

1 as that used under section 46.284 (5) (a) of the statutes, as created by this act, as  
2 adjusted for the specific services provided.

3 7. The risk-sharing provisions specified under section 46.284 (5) of the  
4 statutes, as created by this act, would apply to pilot sites.

5 8. Resource centers operated by pilot sites would be required to provide or  
6 contract for the provision of services specified under section 46.283 (3) (a), (b), (e), (f),  
7 (g), (i) and (k) of the statutes, as created by this act.

8 (b) If the federal waivers specified under paragraph (a) are approved, the  
9 department of health and family services shall as soon as possible before July 1,  
10 2002, seek enactment of statutory language, including appropriation of necessary  
11 funding, to implement the model described under paragraph (a), as approved under

17 under section 49.472 of the statutes, as created by this act. If necessary, the  
18 department shall develop proposed legislation that coordinates the programs and  
19 that addresses the provision of health care coverage for individuals who are eligible  
20 for both programs.

7 the secretary of the federal department of health and human services any requests  
8 for waiver of federal medical assistance laws that are necessary to secure federal  
9 financial participation for the managed care demonstration projects under this

21 2000–01, or by 5% of the total amount of wages reported in the 1998 cost reports of  
22 facilities, whichever is less. The department shall calculate each facility’s maximum  
23 payment per patient day under this subsection by multiplying by 5% the amount  
24 obtained by dividing the total of nurse’s assistants’ wages or salaries of the facility  
25 by the total number of patient days of the facility, as indicated by the facility’s 1998

6 department of health and family services shall examine facility cost reports covering  
7 the period during state fiscal year 1999–2000, as compared with reports covering the  
8 period during state fiscal year 1998–99, and facility cost reports covering the period  
9 during state fiscal year 2000–01, as compared with reports covering the period  
10 during state fiscal year 1998–99, to determine whether the facility’s nurse’s  
11 assistants’ wage or salary and fringe benefits costs per patient day have increased  
12 over the base year by a percentage that is at least equal to the percentage of increase  
13 under the supplement under paragraph (a). The department shall adjust the  
14 required percentage increase to account for all of the following:

15 1. Any payment rate increase or decrease applicable to the facility that is in  
16 effect beginning July 1, 1999, and is other than the supplement under paragraph (a).

17 2. The fact that the wage supplement percentage increase is based only on  
18 wages and salaries, while the cost comparison also includes fringe benefits.

19 3. Any decrease or increase in the facility’s expenditures for contracted labor  
20 services.

21 4. Any change in the facility’s patient acuity levels.

22 5. Whether or not the facility’s reporting period corresponds to the supplement  
23 payment period.

24 6. Any other factor that the department determines is relevant and that is  
25 readily available in the data base of the department.

1 (c) If the department of health and family services determines that a  
2 supplement under paragraph (a) provided to a facility was not expended as required  
3 under paragraph (b), the department may recoup that part of the supplement that  
4 was not expended as required.

3 payments under section 48.57 (3m) (am) (intro.) or (3n) (am) (intro.) of the statutes,  
4 as affected by this act, by a county or, in a county having a population of 500,000 or

9 list for payments under section 48.57 (3m) (am) (intro.) or (3n) (am) (intro.) of the  
10 statutes, as affected by this act, in a county, the department shall supplement the  
11 amount allocated to the requesting county or department. Notwithstanding sections

15 allocated under this subsection is encumbered before July 1, 2001, the department  
16 of health and family services shall request a supplemental appropriation under  
17 section 16.515 of the statutes. This subsection does not preclude the department of  
18 health and family services from reallocating moneys allocated to a county or, in a
