Prepared by the Legislative Reference Bureau
(August 4, 1999)

ment, state funds

NOTE: The above correction is from the text of LRBb1245/3, all of which draft was intended to be included in Assembly Amendment 2 to Assembly Substitute Amendment 1 to Assembly Bill 133. Due to a technical drafting error in Item 2 of LRBb1245/3, Item 2 of that amendment was discarded by the “compile program” which assembled Assembly Amendment 2 to Assembly Substitute Amendment 1 to Assembly Bill 133. The above correction restores that item.
