There are three appropriations to the department of commerce that consist of moneys from the federal government: s. 20.143 (1) (m) for state operations, s. 20.143 (1) (n) for local assistance and s. 20.143 (1) (o) for aids to individuals and organizations. I asumed that the appropriation for local assistance was the appropriate one for the grant in this draft. Let me know if a different appropriation should be used.
