Summary

Recent searched for missing persons in the North point to the need for infrared equipment that can see through the forest canopy to find a lost individual in trackless areas. This immediate response and ability to cover large areas quickly will save lives.

Fiscal Impact

: \$110,000. NOTE-- See Sykora General Government #182 (same)

Statement of Intent

Purchase infrared optical equipment that can be used to search throughout the wooded areas of northern Wisconsin. The equipment would be housed and maintained by Chippewa County Emergency Management and made available for immediate emergency use by the Civil Air Patrol.
