Summary

The Badger Challenge Program, administered by the Department of Military Affairs DMA, is focused on helping "at risk" teenage youths and high school drop outs by emphasizing basic learning skills and teamwork. The program has three major components: recruiting "at risk" youths, a military "bootcamp" and a one-year mentorship with an adult from the youth's geographic area. DMA has, up to this time, used LTE employees to handle the recruiting, administrative duties, and mentorship coordination functions. Over time, the employment of LTE's has proven to lack the required continuity especially for the mentorship phase of the program.

This amendment requests that a new FTE Mentorship Coordinator position be created within DMA to be funded from the annual appropriation for the Badger Challenge Program

Fiscal Impact

None. This position would be funded from the annual appropriation for the Badger Challenge Program.

Statement of Intent

Department of Military Affairs. This amendment requests that a new FTE Mentorship Coordinator position be created within DMA to be funded from the annual appropriation for the Badger Challenge Program.
