DAK

**JFC Action**

The Governor's budget provides \$50,000 (\$25,000 GPR and \$25,000 FED) in 1999-00 and \$240,000 (\$180,000 GPR and \$60,000 FED) in 2000-01 as one-time funding for DHFS and county startup costs for two demonstration projects beginning in 2000-01 to provide behavioral health services under managed care programs to persons who suffer from mental illness, alcohol or other drug dependency or both.

The Joint Committee on Finance modified the Governor's recommendations to provide an **additional \$180,000 GPR and \$60,000 FED in 2000-01** to fund start-up costs for **four** demonstration projects, based on the same time line established under the Governor's budget.

**Motion:**

The motion deletes the additional funding provided by the Joint Finance Committee and restores the Governor's proposal.

**Fiscal Effect:**

The motion reduces GPR expenditures by \$180,000 and FED expenditures by \$60,000.

D-NOTE

D - NOTE

To Brian Dake:

¶ This amendment only deletes the general program revenue funding for the behavioral health managed care demonstration projects; it does

not also decrease the number of projects

specified in SECTION 9123 (3)<sup>(S)</sup> of the substitute

amendment. The reason for this is that, through

a legislative Fiscal Bureau oversight, the number of

demonstration projects under that

nonstatutory provision was not increased

under the action of the Joint Committee on

Finance and, therefore, it is unnecessary

to decrease the number to carry out the

intent of this amendment.
