Provision #6

Agency:

Agriculture, Trade & Consumer Protection

JFC Action:

The Joint Finance Committee deleted a half-time vacant trade practice analyst position (\$55,000 PR annually) from the dairy and vegetable security and trade practices appropriation to maintain expenditures within revenues. The committee created the fruit and vegetable inspection appropriation as an annual rather than a continuing appropriation. The committee also made a technical correction to specify that all fees of 1¢ per \$100 in contractual obligations be deposited to the dairy and vegetable security and trade practices appropriation.

Motion:

This motion amends JFC action, returning .50 FTE and \$55,000 PR annually to the dairy and vegetable security and trade practices appropriation and returns the fruit and vegetable inspection appropriation as a continuing appropriation.

Fiscal Effect:

This motion adds \$110,000 PR over the biennium. (\$55,000 PR annually)

Provision #7

Agency:

Agriculture, Trade & Consumer Protection

JFC Action:

The Joint Finance Committee removed the creation of the Federal Model Food Code and Meat Inspection Rules, voting it down as a policy item.

Motion:

This motion creates the Federal Model Food Code and Meat Inspection Rules, effective January 1, 2000. These changes are necessary in order to bring Wisconsin's Food Safety Program up to date with the rapidly changing national standards.

Technical language follows:

97.42 (4m) of statutes is created to read:

97.42 (4m) FEDERAL REQUIREMENTS. Except as provided in rules promulgated under sub. (4), the operator of an establishment that is required to be licensed under this section shall comply with 9 CFR parts 307 to 311, 313 to 315, 416 and 417 and part 381 subparts G, H, I, J, K, L, O and P as they apply to federally licensed establishments.

227.14 (1s) EXCEPTION; PREPARATION OF CERTAIN RULES BASED ON FEDERAL FOOD CODE.

Notwithstanding sub. (1), if the department of agriculture, trade and consumer protection or the department of health and family services prepares a proposed rule based on the model food code published by the federal food and drug administration, the proposed rule may be in the format of the model food code.
