received during the 1999-01 biennium for the construction of airport perimeter fencing.

15. *Major Highway Development.* Provide an additional \$3,300,000 SEG and delete \$3,300,000 SEG-S (revenue bond proceeds) in 2000-01 in the major highway development program. This would fund 53.0% of the total program size in 2000-01, instead of 54.5% under the Joint Committee on Finance's substitute amendment, with bond proceeds. Increase transportation fund revenue by \$45,300 in 2000-01 to reflect a lower level of debt service resulting from a reduction in the level of bonding.
