XII. Chief Warden Authority

JFC Action:

The Joint Finance Committee considered motion #943 relating to chief warden authority. The motion (authorized) the DNR to designate a conservation warden as the chief warden and may designate one or more deputy chief wardens. The duties of the chief warden include:

- a) direction, supervision and control conservation wardens in their performance of the duties;
- b) designation of an internal affairs officer to investigate complaints against conservation wardens when the chief warden determines an investigation is necessary; and
- c) designation of a compliant officer to resolve complaints against conservation wardens. The Committee rejected motion #943.

Motion:

Specify that the provisions relating to chief warden authority outlined in motion #943 be included in the "environment package."

Fiscal impact

The motion makes a policy change to current law and has no fiscal effect on the state of Wisconsin.
