Tax Cut

Summary

According to the Legislative Fiscal Bureau, \$44 million in federal Child Care and Development Block Grant (CCDBG) funding is available to Wisconsin if the state provides the necessary match of \$30 million GPR for child care. The JPC budget did not attempt to leverage this additional federal funding.

This motion directs the Department of Workforce Development (DWD) to identify existing GPR appropriations which can be used as a match for federal indirect child care service funds. The motion requires DWD to submit a plan to the Joint Committee on Finance for review.

Fiscal Impact

None

Statement of Intent

TANF. The motion directs the DWD to identify existing GPR appropriations which can be used as a match for federal indirect child care service funds.

Under your motion, and therefore under this amendment, DWD is merely required to identify possible state matching funds and submit a report to JFC. DWD is not required to attempt to leverage the additional federal funding. Did you intend to require DWD to try to access the additional funding?
