K-12 EDUCATION PACKAGE

PASSES

Provide the following:

(1) Delay the onset of the increasing enrollment revenue limit adjustment to start for revenue limits calculated for the 2000-01 school year. Provide $7,800,000 GPR in 1999-00 in order to maintain two-thirds funding of partial school revenues.

(2) Specify that a pupil who transfers to another school district under the interdistrict transfer program would be counted as 0.75 pupil for school aids and revenue limits beginning in 2000-01. Specify that these pupils would be counted as 0.50 pupil in 2001-02, 0.25 pupil in 2002-03 and 0.0 pupil in 2003-04. Provide $2,400,000 GPR in 2000-01 in order to maintain two-thirds funding of partial school revenues.

(3) Modify the JFC provision relating to the general school aid reduction and lapse which funds the Milwaukee Parental Choice program to specify that beginning in 1999-00, one-half of the estimated school aid lapse required to fund the program ($20.4 million in 1999-00 and $24.5 million in 2000-01) would be required to be lapsed from the general school aids paid to the Milwaukee Public Schools and one-half would be lapsed from the general school aids paid to the other 425 school districts.

(4) Modify the JFC provision relating the intradistrict transfer and neighborhood schools programs for MPS. Delete the MPS intradistrict transfer aid hold-harmless provision and instead, provide that the intradistrict transfer aid for MPS would be limited to the lesser of the amount generated by the district under the program, or $30 million annually. In 1998-99, MPS received approximately $33 million under this program. Provide that the Milwaukee Redevelopment Authority could issue up to $170 million, rather than $200 million, in bonds to finance capital improvements for MPS. Provide that MPS school board would be required to adopt a resolution requesting the Authority to issue the bonds for MPS. Provide that a referendum would have to be held if, within 30 days of the adoption of the resolution, there would be filed with the City Clerk, a petition signed by electors numbering at least 10% of the votes cast in the City for governor at the last general election.

The fiscal effect is $10,200,000 GPR over the
