Background:

Under current law, District Attorneys are authorized 388.0 full-time equivalent (FTE) prosecutor positions, as of July 1, 1998. Based on an analysis conducted by the State Prosecutors Office, there is a net need for approximately 67.23 additional prosecutor positions in the state.

Budget Action:

The Joint Finance Committee adopted a motion regarding District Attorneys. The motion provided funding for additional positions in specified counties. Under this alternative, the following counties would receive positions: Adams (0.25), Chippewa (0.25), Columbia (0.5), Dane (0.5), Forest (0.25), Jefferson (0.25), Manitowoc (1.0), Marathon (1.0), Milwaukee (7.0), Oneida (0.5), Outagamie (0.5), Rock (0.75), Sheboygan (0.5), and Winnebago (1.25). This alternative provides positions for those counties at or above 125% of caseload.

The Joint Finance Committee also adopted a provision that requires DOA to transfer position authority from a county which has a negative need for positions to a county with a positive need for positions, if: a) a vacancy in an ADA position occurs in a county that has a negative need, following the transfer, the county losing the position does not reflect a need for positions based on the weighted caseload measurement, and b) the recipient county requested additional resources for 1999-01.

Motion:

Amend the Joint Finance Committee provision as follows: a) delete 0.5 positions for Columbia County; b) delete 1.25 positions for Milwaukee County; c) add 1.0 multi-jurisdictional ADA position to Sauk County that would be shared between Columbia, Marquette and Sauk counties; and d) add 0.5 positions to La Crosse County and 0.25 positions to Forest County. Furthermore, delete the Joint Finance Committee motion regarding the transfer of position from county to county.

Fiscal Effect:

According to the Legislative Fiscal Bureau, the motion would have no fiscal effect on the state of Wisconsin.

Provision #3 - CARES

Agency:

Department of Workforce Development/Department of Health and Social Services

Background:

Under current law, the Department of Workforce Development maintains the computer system (CARES) that deals with the eligibility determinations for W-2 and Food Stamps among other areas.

Budget Action:

The Joint Finance Committee moved the CARES system from the Department of Workforce Development to the Department of Health and Social Services, effective March 1, 2000. The Committee required the Secretary of the Department of Administration to submit a report to the Finance Committee to be reviewed at the December, 1999, s. 13.10 meeting that would identify positions, funding, and any other administrative issues that need to be considered as part of the transfer.

Motion:

Restore current law and maintain the CARES system in the Department of Workforce Development.

Fiscal Effect:

None.

Provision #4 - Alzheimers Family and Caregiver Support

Agency:

Department of Health and Family Services

Background:

The Alzheimer's family and caregiver support program funds services and goods to persons with Alzheimer's disease and their families or caregivers to enable the family to maintain the person with Alzheimer's disease as a member of the household. Typical program services include respite care, adult day care, income help, and transportation services.

Budget Action:

None.

Motion:

116
Provide \$146,400 GPR in 1999-00 and \$349,300 GPR in 2000-01 to increase funding for the Alzheimer's family and caregiver support allocation under community aids.

Fiscal Effect:

According to the Legislative Fiscal Bureau, the motion would increase GPR spending by \$495,700 over the biennium.
