<END>

September 1, 1999, \$75,000; and (b) on July 1, 2000, \$50,000. The grants would not be subject to standard application procedures or grant funding limitations. In 1997 Act 237, DNR was directed to provide a grant of \$100,000 in 1998-99 to the Wheelchair Recycling Project. (adds \$125,000 SEG over the biennium);

(2) Opening a Milwaukee facility for refurbishing used wheelchairs and other mobility devices and returning them for use by persons whom otherwise would not have access to needed or appropriate equipment. The grants would be as follows: \$100,000 on June 30, 2000, contingent on the project raising \$100,000 by June 15, 2000; and \$100,000 on June 30, 2001, contingent on the project raising \$100,000 by June 15, 2001. This ensures a 50 percent match with private funds. The grants would not be subject to standard application procedures or grant funding limitations. (adds \$200,000 SEG over the biennium);

- Spend down entire recycling fund balance of \$43.3 million by \$22.0 million FY 99-00 and \$20.0 million FY 00-01 to reduce overall state expenditures. Money will be expended in the municipal and county recycling grant program;
- Fund the Computer Recycling program within the DOC. Add \$500,000 SEG annually.

Fiscal Impact

According to LFB, this motion leaves approximately \$200,000 in the recycling fund at the end of the biennium. (JFC action left a \$1.1 million balance.)

(This motion also earmarks \$50,000 PR annually from Recycling Market Development Board program allocations for Waste Reduction and Recycling Assistance for Businesses grant program.)
