Lonnie,

I thought Freda had said she was going to fax this info, but apparently she was planning to email it. Since I didn't check my email before I left last night, I didn't find it until this morning. On the attached spreadsheet, you just need to decrease the listed appropriations by the amounts in the second column.

Let me know if you have any questions.

Merry

Merry,

Attached please find a worksheet which details the savings by fund for the FICA related to student employees. Please let me know if you have any problems with the spreadsheet or need any further information.
