Budget Amendment –Chapter 220 Integration Aid

The Governor recommended a reduction in how students are counted for Chapter 220. Currently any K-12 pupil who transfers from one school district to another under a special transfer program (Chapter 220) would be counted as 1.0 for purposes of school aids etc. The Governor recommended that they be counted as 0.5. When the Joint Committee on Finance took up motion #1198 they voted to maintain the count of 1.0 for the 1999-2000 school year and reduce it to 0.5 for 2000-2001. They also directed the Leg. Council to study Chapter 220 and make any recommended changes to the Legislature by January 1, 2000.

This amendment would return inter-district transfers to current law, and maintain that students be counted as 1.0 rather than 0.5 for both years of the biennium.
