D-note

This amendment decreases the GPR appropriated to the "development fund". It does not ^{increase} ~~decrease~~ the ~~money~~ appropriated under s. 20.143 (1) (ie), however, because that appropriation is not a "som certain" appropriation. The text of that ^{that} appropriation says "all moneys received" may be used for the stated purposes. The amount in the schedule is merely an estimate of the amount that will be received. [→] and the LRB does not affect it. The LRB may change the estimate in the schedule when the bill is engrossed.

June 22, 1999

This amendment decreases the GPR appropriated to the "development fund". It does not increase the moneys appropriated under s. 20.143 (1) (ie), however, because that appropriation is not a "sum certain" appropriation. The text of that appropriation says that "all moneys received" may be used for the stated purposes. The amount in the schedule is merely an estimate of the amount that will be received and the LRB does not affect it. The LFB may change the estimate in the schedule when the bill is engrossed.
