Attention: Doug Burnett

I never heard from Senator Clausing's office so I went ahead and drafted this so that DNR is not required to give it to the City of Hudson.

It is possible that a Wisconsin court would find this legislation to be a "private or local bill" which, under Article IV, section 18, of the Wisconsin constitution, must be enacted as single-subject legislation. If so this legislation cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. In light of this, the caucus may wish to consider introduction of this legislation as a separate bill.
