ASSEMBLY BILL 229

sends the check, which is made out to the pupil's parent or guardian, to the private school. The parent or guardian must endorse the check for the use of the private school.

This bill retains this payment procedure for pupils attending sectarian private schools. For pupils attending nonsectarian private schools, the bill provides for the payment to be made directly to the school.

5. This bill directs DPI, in cooperation with the pupil assignment council (which consists of one representative from each private school participating in the MPCP), to establish a public information campaign to inform the parents of all pupils who are eligible to participate in the MPCP, and the eligible pupils, about the MPCP.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
